New works around our school
You may have noticed that there have been a number of projects occurring around the school over the last month or so. The new portable is now fully operational. Security systems, telephone and data lines, blinds, CCTV cameras have all been connected and the portable has a range of new furniture to support student learning. The rooms look and feel great and are a credit to Mrs Gunn and Mrs Dixon for setting them up so effectively. The Year 1 and 2 playground is now fully installed around the new portable and the retaining wall has been constructed to keep our OHS mulch where it should be! Tim Bates from Port Phillip Property Maintenance did a great job on the walls.

Our PTA have been raising funds for 2 years to provide shade sails for areas of our school. The first stage of installing the shade sails over the Prep playgrounds has commenced. The large galvanised poles are in place and now the shade sails will be made to fit over these 2 playgrounds and the Prep sandpit. Hopefully in the next month we will see this task completed. A big thanks to the PTA for their amazing fundraising efforts in 2011 and 2012 to make this possible.

There are a couple of new circular garden beds around the school too. Jenny Spiridis and the environment group (with some help from Darrel Hartwig) have located these 2 new garden beds near the water tanks adjacent to the staff car park and the other near the school entrance on Melrose Drive. The garden bed near the staff car park will be used to grow a Mulberry tree that will provide nourishment for silk worms (it will look good too!). The other garden bed is to improve the look of the area near that walkway entrance on Melrose Drive.

School Lunch orders
Lucy McGoo foods have advised the school that student lunch orders will only be available Wednesday to Friday commencing next week. Due to a decrease in the number of orders for student lunches on Monday and Tuesday this component of the service is no longer viable. On a positive note Lucy McGoo has decided to allow ordering of lunches on the same day up to 9am. This is a real advantage of an online ordering system like Lucy McGoo. Please visit our school website: http://www.mtmarthaps.vic.edu.au/ to learn more about the philosophy of Lucy McGoo foods and to peruse the menu. As a parent you can register on their website and from then on ordering a healthy lunch for your child/ren becomes very easy. Food choices are healthy and well priced.

Assistant Principal.

SPORTS NEWS

Netball
On the 18th of April, a netball team from Mt Martha P.S travelled to Toorak College for a sports and cultural exchange-tri-nation netball competition. We played against Toorak, Mt Eliza North and Kristen College (New Zealand). We had a lot of fun and it was a fantastic experience. We learnt that it is not all about winning but having fun and giving it a go.

Toorak College was very kind and provided us with lunch and food whilst we were playing. Kristen College, who have travelled from New Zealand gave all the team members a small token along with a big smile and congratulations on our win.

Afterward we took some photos with Kristen Collage to keep as memories from the great time we had. In the end we were overall champions of the Toorak/Kristen sports exchange netball competition 2013. We hope the next teams to enter in this competition have as much fun as we did.

Huge thank you to the parents who came along got support us, Tessa who coached us and assisted with our stretching and Mr Sweatman for his organisation and coaching of this amazing experience. Misch & Elsa.

Swimming Sports
During the last week of Term 1, Sophie in Year 4 competed in the Regional Swimming Championship at MSAC in the 9/10yr old 50m Breastroke. After a nervous wait in the stands she put everything into her preparation and took to the blocks. At the end of her 50m swim, she had finished in 3rd place, giving her the bronze medal and a spot on the championship podium.

An outstanding effort by Sophie and well done for representing Mt Martha PS.

Jogging Club
Jogging Club is off to a booming start with many students taking to the track every Tuesday – Friday. Certificates are flying out the door and new cards have had to be made as some students are jogging 3 or 4 laps each day. The Prep students are out numbering the rest of the school, so let’s see more students down at Jogging Club. (This will also be good practice for the cross country).

If the weather is unpleasant an announcement will be made and jogging club will be cancelled. Starting time is 8.35am – 8.55am (till music starts). Certificates will be presented to those children who achieve a milestone at their year level assemblies.

District Selection Trials
A number of students will be representing the Mornington District at the Southern Peninsula Division tournament. They are hoping to be selected in order to be one step closer to gaining selection in the Victorian State team. Best wishes to all students participating.

NETBALL: Nicole & Remi
BASKETBALL: Brodie, Poppy & Tegan
FOOTBALL: Deakin, Lachlan & Ben
SOCCER: Harry, Laine, Taya & Sasja

School Cross Country
On Tuesday 7th May, we are holding our School Cross Country at School. Students will run in their age group race (their age is calculated by determining what age they will be on 31 December 2013).

We will be holding 2 different events.

- Competitors complete the set amount of kilometres/laps for their age group. Top 10 students from this event will represent our school at District level.
- A modified race which allows students to complete the distance they are capable of jogging/walking. This is a non-competitive race and will cater for students who find it difficult and wish to walk/jog this event.

All competitors will receive a certificate
The program will be:

Year 2 - 9:00 till 9:30 *1 lap*
Year 3 and 4 – 9:45 till 11:00 *2 laps*
Year 5 and 6 – 11:30 – 12:45 *3 laps*

The track route: Start far end of oval on track, running around the track, out back gate and down Melrose Drive, along Normanby onto Glenisla Drive. Up the hill and into the staff carpark back onto the oval to finish or start 2nd or 3rd lap.

Parents are encouraged to attend and support children as well as offer assistance with certificates and marshaling. The sports leaders will act as hares for each race so the children know the correct route.

Of course, the weather will determine if the event proceeds and if we do decide to cancel, I will make that call at 8:45 in the morning.
Cameron Sweatman, Physical Education Teacher.

BOOKCLUB

The first BookClub forms for Term 2 will be coming home today and need to be returned by Tuesday 30th April.

**School Camps & Excursions: Asthma**

If your child has asthma, attending school camps and excursions can introduce them to new asthma triggers especially if they are going into new environments. It is essential that your child can participate fully and safely in all school activities. The following is a list of considerations to make for your child before they go on school camp or an excursion:

- Is your child’s asthma currently well controlled (e.g. no symptoms at night, reliever use less than 3 times per week)?
- Has your child had an asthma attack or asthma symptoms recently?
- Does the school have an Asthma Action Plan for your child?
- Has the school asked you to complete a School Camp and Excursion Medical Update Form?
- Does your child have their reliever medication and spacer on hand at all times?
- Are they attending with any other medications to be taken on the camp/excursion? If so, are there sufficient instructions to staff for use/dosage?
- Does your child self-administer their medication? If so, has their technique been checked recently?

**Asthma and Complementary Therapies**

Complementary or alternative therapies are becoming increasingly popular in Australia, and many people seek out complementary remedies to support their health. As with any health condition, if you or a family member have asthma and are considering using complementary therapies, we strongly advise that you communicate with your doctor about your asthma treatment. They may even be able to suggest safe therapies to try! It is equally important to communicate to any complementary therapists about your asthma so that they can avoid treatments that are known to potentially make ones asthma worse.

Complementary therapies considered safe for asthma are: exercise programs, vitamin D, low-salt diet, some Chinese herbal medicines, some Indian (ayurvedic) herbs, music therapy, tai chi, buteyko (breathing technique).

Complementary therapies considered potentially unsafe for asthma are: inhaled salt (small risk of a fungal respiratory infection), echinacea, bee pollen or royal jelly (propolis), and products containing aspirin.

Remember, response to treatments and medications differs between people. Make sure you or your children continue taking any asthma medications prescribed unless otherwise instructed by your doctor. Stopping asthma medications suddenly can result in worsening asthma symptoms and even an asthma attack. For more information regarding complementary therapies and asthma please refer to The National Asthma Council (NAC) [http://www.nationalasthma.org.au/](http://www.nationalasthma.org.au/) or contact The Asthma Foundation of Victoria for your free copy of the new NAC Asthma & Complementary Therapies brochure.

For more information please contact The Asthma Foundation of Victoria on 1800 278 462 or [www.asthma.org.au](http://www.asthma.org.au)
Education Maintenance Allowance - information for parents currently receiving EMA

Changes to the Education Maintenance Allowance (EMA) for 2013:

The EMA continues to help families on lower incomes with financial assistance to cover the cost of educational expenses including textbooks, stationery, uniforms and excursions for their child up until the age of 16.

From 2013, the Victorian Government is restructuring the EMA to better target financial support to families on lower incomes. Payments made direct to parents will be increased for eligible recipients at all year levels up to age 16, with an additional increase for parents with students in Years Prep and 7 in recognition of the additional costs at these transition points.

In 2013 the annual EMA payment for families with children in primary school (years 1-6) will receive a payment of $150. Families with children in secondary school (Year 8 up until the age of 16) will receive an annual payment of $250.

The School Start Bonus which was previously received by EMA families has been discontinued as a separate payment from 2013. However, additional funding has been incorporated into the EMA meaning that parents of children in Prep and Year 7 will receive boosted EMA payments of $200 and $300 respectively in those years.

From 2013, the EMA will no longer be paid 50/50 between the parent and the school. The 50% school portion of the EMA will no longer be paid to schools on behalf of parents. However, $62 million over four years will be redirected to the State’s most needy schools to assist families on lower incomes. These funds will form part of the school Student Resource Packages to be allocated at the local level.

New EMA payment option

From 2013, on the EMA application form you can choose to have your EMA payment:

- Paid by direct deposit (Electronic Funds Transfer) into your nominated bank account or
- Paid by cheque which will be posted to the school for collection or
- Paid to the school to be held as credit which you can use towards education expenses

The introduction of the new payment option to have the EMA payment directed to the school provides parents with extra flexibility to assist with budgeting towards education expenses.

Eligibility:

To be eligible for the EMA in 2013, you must:

- be either a parent or guardian of a primary or secondary school student up to the age of sixteen; and
- be an eligible beneficiary of a Centrelink pension, allowance or benefit within the meaning of the State Concessions Act 2004* or be a Veterans Affairs (TPI) pensioner or be a temporary foster parent.

* i.e – the parent/guardian must be the holder of a valid Health Care Card or valid Pension Card.

The eligibility criteria must be met as at 15 July 2013 (Instalment Two).

Payment amounts - 2013:

Family Maths Problems

Here are some ways you can enjoy Maths with your family.

**Down the slippery slope.**  (Prep – Year 2)

You will need:
- something long, flat and smooth to build a small ramp e.g. a breadboard, tilted table top.
- something to lean the ramp against, such as a chair or stack of books.
- A collection of small unbreakable items that will fit on your ramp, such as a ping-pong ball, a lunch box, blocks, a small can, cardboard packet.

What to do:
1. Build your ramp.
2. Pick 3 or 4 of the objects you have chosen and guess, which one will be the fastest down the slippery slope and which one will be the slowest.
3. Try it. Were you right? Try the rest of your objects (in groups if you have enough things).
4. Now make your ramp longer or shorter, higher or lower. Try your objects again. What do you think will happen now?

**Egg carton caterpillar**  (Year 3 & 4)

You will need:
- egg cartons
- toothpicks
- paper and textas

What to do:
1. Cut the egg carton lengthwise.
2. Draw a face at one end.
3. Using toothpicks, put three spikes on each hump and fellers on the head.
4. How many humps does the caterpillar have?
5. Counting by threes, how many spikes does he have on his humps?
6. Write a number story and draw your answer.
7. How many spikes and fellers has he got altogether? Write a number sentence to explain this.

**Family Weekend**  (Year 5 & 6)

You will need:
- newspaper
- pen and paper

What to do:
Locate the entertainment 'What's On' section in the newspaper. Plan a selection of activities for your family to attend on the weekend, such as netball matches, films, museums, special shops, a concert, a fiend's party.

Consider:
- cost of travel  -  cost of entry  -  distance from home  -  travel time to actual location (for example, two different places on different sides of town)  -  attendance times  -  family interest.

Develop a schedule for your weekend’s entertainment. Have fun!

Parents' and Teachers' Association Noticeboard

Term 2 Events -

**Parent’s Morning Tea** - join new and old MMPS parents on Thursday the 2\textsuperscript{nd} of May after the 9am school drop off in the staff centre for a cuppa and treat. Looking forward to seeing you there!

**The Mother’s Day Stall** - **Wednesday the 8\textsuperscript{th} of May 9-1pm.** What will the kids bring home this year? The children love to make a special Mother’s Day gift selection just for ‘their mum or special someone’. There will be a range of new goodies on offer for the children to select from. On the day we ask that the children bring no more than $10 to school (prices range from $1-$5 for each item), they will be given the opportunity to make their purchases with their class at an allocated time. If you are able to help on the day please fill out the form and return to the office by 2\textsuperscript{nd} of May (see form on page 3). The parents who have registered in previous years have had a great time helping with all the selections and keeping secrets! Items available to purchase will be on display in the glass cabinet at the front office from 29\textsuperscript{th} of April. We will also have a special Mother’s Day $10 Offer on the 2012 MMPS Recipe Book – if you haven’t got a copy this is your chance to add these fantastic tried and tested recipes to your collection! This is a great gift for mothers, grandmothers, aunties etc.!

**Mother’s Day Raffle** - Hey Kids, would you like to win mum a hamper of prizes valued at over $500? Mum’s would you like to receive a hamper filled with prizes worth over $500? Raffle tickets will be sold in the classroom to the students for **$2 each** in the week commencing the 6\textsuperscript{th} of May (6\textsuperscript{th}/ 7\textsuperscript{th}/ 8\textsuperscript{th}/ 9\textsuperscript{th} May). The prize will be drawn on Friday the 10\textsuperscript{th} – ready to be given to mum on Sunday the 12\textsuperscript{th}. Bring $2 to school on any of these days to purchase a ticket and go into the draw to win !!!!!

Are you proud to be a local? Do you like to support our school? Well this fundraiser is for you! Order forms are in this newsletter to purchase a sticker that you can put on your car that will represent where you live. The sticker will be $4.50 to purchase, the Setches family are kindly donating $2 for every sticker sold back to the school. Final day to order – Friday 3\textsuperscript{rd} May!

**Book Fair** - More details to follow.

**Oaks Day 2013**

Due to the lack of interest when we called on parents to be part of the 2013 Oaks Day Committee in Term One, it looks like the Oaks Day Luncheon will **not** be going ahead this year. With last year’s committee members unable to dedicate their time due to changes in personal circumstances. We had hoped to find a group of enthusiastic parents to organize this year’s event. The previous committee will be around to offer support and the benefit of their experience, as required. If you are interested in putting your own touches to this fantastic event, please email Amy at amy@zooloo.com.au before Friday the 3\textsuperscript{rd} of May, as we will need to cancel our booking at Safety Beach Yacht Club if there is no interest.

Thank you.
