Our Year 5 students had a wonderful time on their camp at Sovereign Hill last week. They enjoyed learning about the history of the Gold Rush era and participated in many hands on activities which gave them the opportunity to experience what life was like in the mid-1800s. Well done to all our students, staff and volunteers on a great camp.

On Tuesday many of our Year 6 students attended the Government Schools state wide transition day for 2014 Year 7s. It is a very exciting time for our exiting Year 6 students as they reflect on their time at primary school and look ahead to a whole new phase of their education. We wish all our Year 6 students the very best for their future and look forward to their Graduation Evening next Tuesday 17 December.

As part of our in school transition program, next Monday 16 December all our current students from Prep to Year 5 will participate in a “New Class, New Teacher” session. The students will get to meet their new teacher/s for 2014 and find out where their 2014 classroom is located. The staff allocation for the 2014 classes is attached to this newsletter.

We have a number of staff changes happening for 2014 with some of our teachers leaving, new teachers coming on board and staff returning from leave. We will be farewelling the following teachers - Paula Phillips, Adrian Vitale, Laila Contini and Joy Stanley. A big thank you to all of them and a particularly big thank you to Joy who is retiring after a long career in teaching, the last 24 years being at Mount Martha PS. We thank Joy for her dedicated service to teaching and her years at Mount Martha over the past two and half decades – well done Joy on an amazing career.

We wish Sally Richardson all the best as she will be taking extended long service leave from the commencement of next year. Our Education Support staff, Kerry Spiers, Julie Sutton and Lyn Reed will be finishing at MMPS at the end of the year. We thank these teachers and support staff for their valued contribution to Mount Martha Primary School this year and wish them well for the future.

We will be welcoming four new teachers for 2014 – Danielle Howle, Darrel Hartwig, Jane Doye and Justin Whelan. We will also be welcoming back Principal Judy Beckworth following her long service leave this year. I will be returning to Mount Eliza Primary School as the Assistant Principal. I have enjoyed my time as Acting Principal at MMPS and have appreciated the opportunity to work with the students, staff and parents in such a terrific learning community. Thank you to everyone for making my time at MMPS such a positive experience.

Last week those students who have participated in the instrumental programs at MMPS performed in concerts over two evenings. It was a wonderful opportunity for our students to show case their talent and proved to be a fitting culmination to their year’s work in learning a musical instrument. Well done to all our instrumental students on a top effort.

COMING EVENTS

DECEMBER
Friday 13th
• Prep Excursion to Enchanted Maze

Monday 16th
• Year 4 CSIRO Incursion

Tuesday 17th
• Transition session for new students to MMPS 2014
• Student Reports go home

Wednesday 18th
• Year 6 Graduation Evening

Thursday 19th
• Final Whole School Assembly
• Year 2 Walk to Balcombe Estuary & Breakup Party

JANUARY
Wednesday 29th
• Curriculum Day

Thursday 30th
• Students in Year 1 - 6 Commence

Friday 31st & Monday 3rd
• Individual Interviews for 2014 Preps

FEBRUARY
Tuesday 4th
• Preps Commence (early finish 2.15pm)

SCHOOL COUNCIL MEETING TONIGHT
We have a very full calendar over the next week as the school year draws to a close. Our final assembly will be held on Wednesday at 9.10am. We hope to see many parents, grandparents and friends attend our farewell assembly for the 2013 school year.

We look forward to an eventful and exciting week ahead to conclude a wonderful 2013 at Mount Martha Primary School.

### 2014 School Teaching Teams

<table>

Mr Justin Whelan  
Miss Alice Harvey |

Specialist area teachers are:
Art - Mrs Julie Christie, ICT - Mrs Sarah Forward, Music/Performing Arts - Mrs Leanne Rault and Physical Education - Mr Cameron Sweatman.

**Pam Anderson**  
**Acting Principal**
We have a family at school that has a connection with The Kathleen Keegal Children’s Fund that funds St Anthony’s Children’s Home in Sri Lanka. If in sorting your children’s school supplies for 2014 you have any spare items at home that you do not require please place them in the box in the foyer near the office. These items will be added to a container of supplies being sent over to support these children in their education. Further information about this organisation can be found at www.kkcf.org. Thank you for your generosity.

Karen Walker
Assistant Principal

The KidsMatter team would like to extend their best wishes to all of our Mt Martha families for a safe and happy Christmas. We look forward to continuing our work in supporting student wellbeing in 2014.

FIRST AID NEWS

Medications
If your child is leaving MMPS at the end of this year, please collect any medications from First Aid on the last day they are at school. Medications for children who will be remaining at MMPS may be collected or left in First Aid. If you decide to take them home, please remember to return them for the start of the school year.

Head Lice
We have not been free of head lice this year! Could you please check your child’s hair for live eggs or lice over the holidays so that we can start 2014 head lice free.

Should you find any eggs or lice, there are two choices of treatment:

Chemical: Treat and comb with a head lice comb to remove the head lice and eggs; and repeat in 7 days.

Non-chemical: Use conditioner and comb with a head lice comb to remove the head lice and eggs and repeat every 2 days until no live lice have been found for 10 days.

Head lice take 14 – 17 days to mature so if you continue to comb each week you will remove the lice before they are able to lay more eggs and thus break the cycle.

Please find a ‘Frequently asked questions’ flyer about head lice attached to this newsletter.

Wishing you a very safe and happy holiday season.

Lorraine Stuart, First Aid Officer.

There are now 3 LITTLE FREE LIBRARIES in Mt Martha!

- 35 Watson Rd (outside Mt Martha Pre-School)
- Scenic View Drive (cnr 2 Banksia Grove)

Happy reading!
Head lice: Scratching for Answers?
Frequently asked questions

Where do head lice come from?
Head lice have been around for thousands of years. As with any insect, they learn to adapt to their environment in order to survive. We are never going to be completely rid of them, but we can make managing them easier.

Do head lice fly or jump?
Head lice do not have wings so they cannot fly. They can’t jump because they do not have ‘knees’.

So how do head lice move around?
Head lice CRAWL very fast and require head to head contact for transmission. It is possible that because of the way young children play, head lice are seen more widely amongst primary school children than adolescents or adults.

Can head lice spread disease?
No. Head lice cannot transmit or pass disease on to people.

Who is responsible for checking and treating head lice?
Like similar health conditions such as scabies, and ringworm, it is a parent or guardian’s responsibility to treat and care for their child.

Do head lice live in carpets, clothes, hats or sheets?
No. Head lice very rarely fall from the head. They require blood to survive. Head lice feed 3-4 times a day and without blood, will dehydrate in 6 hours in a dry climate and 24 hours in a humid climate.
An egg requires warmth to hatch and is the reason why they are laid close to the scalp. The further away from the scalp, the less likely they are to survive.

Is it true that head lice only like clean hair?
No. Head lice are not selective. They don’t care if hair is long, short, blonde, brown, washed this morning or last week. As long as they are warm, and have blood to drink, then they are content.

What treatment kills 100% of head lice or eggs?
There is no single treatment that kills 100% of head lice or eggs. Whichever treatment you choose it can take time and persistence to get rid of head lice. Use a method that will not risk the health of your child.

Is there a way to prevent head lice?
No. It’s important to check your child’s head regularly with conditioner and comb even when you don’t think your child has head lice. There is no research to prove that chemical or herbal therapies can prevent head lice.

How does the conditioner and comb method work?
It’s a very cheap and effective way of finding head lice. Hair conditioner does not kill lice, but it does stun them for about 20 minutes, meaning they do not move around, and it is difficult for them to hang on. This gives you time to comb through the hair with a fine tooth (head lice) comb.

How does a chemical treatment work?
Only use products that are licensed or registered for head lice. There are four different active chemicals that target head lice, each works differently and aims to kill lice and/or eggs.

Department of Human Services
Do some products work better than others?
Over time, head lice may develop resistance to some chemicals. It is important to check if a treatment you used has worked, and if not, treat again with another product that has a different chemical in it.

Why do you have to treat again in seven days time?
Head lice eggs take 6-7 days to hatch. And when you treat, it’s easy to miss an egg or two. By treating again in seven days, you are aiming to kill and comb out any head lice that have since hatched from eggs, which were missed.

Should I treat everyone in the family?
It is important to check each family member, using conditioner and comb, for head lice but only treat those with live lice.

What should I wash or treat at home?
As head lice only live for a short time off the head, the only extra cleaning needed is to wash the pillowslip on the hot cycle or place in clothes dryer. Head lice combs can be cleaned in water hotter than 60 degrees.

Why does my child keep getting re-infected?
Re-infection is the least likely reason for head lice returning in a week’s time. If eggs do not die, or were not removed during the original treatment they may hatch and the lifecycle starts all over again. To break this lifecycle you must re-treat (regardless of treatment method) seven days after the first treatment and continue with weekly checking.

Does my child have to miss school?
According to the Health (Infectious Diseases) Regulations 2001, children with head lice can be readmitted to school after head lice treatment has commenced. A certificate from a doctor or council is not required before your child goes back to school. Head lice are not the fault of schools, other families or children.

For more information see your School Nurse or www.health.vic.gov.au/headlice

Family Maths Problems

Here are some ways you can enjoy Maths with your family.

Making Jelly

You will need
- A packet of jelly crystals
- A measuring jug and jelly moulds or small dishes
- Hot water
- Spoon for stirring

What to do
With a helper, read the directions on the packet carefully and make the jelly.

Be very careful with the hot water!

Pour the jelly into jelly moulds or dishes or cups. Try to get them about the same size.

How many did you make?

If you were having a party next week for 20 children, how many packets of jelly would you need, using the same containers?

Draw a picture to show what you would need.

What's your favourite jelly flavour? Colour it in.

Money Picture

You will need
- some coins

What to do
Each person makes a shape using the coins, for example, a triangle, a square, a circle.

Guess how much each other's shape is worth, then tell each other your guess.

Add up the value of your shape.

Which shape added up to the greatest value?

Something extra

Make the shape of a 50c coin using the coins. How many sides has it? What is you 50c coin shape worth?

Merry Christmas

You will need
- paper and pen

What to do
Suppose that at Christmas time everybody in your family, including grandparents if you have them, gave each other a gift. If all these presents were piled under the Christmas tree, how many parcels would there be altogether?

Something extra

If there was a new baby in the family the following Christmas, how many gifts would there be under the Christmas tree then?

Donna Gadsby
Maths Curriculum Leader
Thank you to the businesses and families who supported our Year 6 group during the market. As you can see some business supported more than one stall! A big thank you to IGA Mt Martha, in particular Rodney who gave students a maths lesson in budgeting, and the butchers who got behind our sausage sizzle. If you head in to any of the shops listed below please let them know of our Market success!

CONTACTS
Mt Martha Primary School Holiday Club

We are counting down to school holiday fun!

With only 2 weeks to go – we have begun the countdown to the exciting Holiday program we have planned for these school holidays.

In particular the kids can't wait to be a part of the exciting activities we have planned which include off to the movies to see "Frozen", the hilarious film about Olaf the Snowman and Super Service Challenge prove yourself in individual and team challenges with our super instructor.

We'd love for you to come along for a day, every day or anything in between!

Dates: Monday 6th to Wednesday 29th of January

Times: 7.00am until 6.00pm every day

For more details on the program and to book, visit www.campaustralia.com.au/holidayclubs or call our friendly Customer Service Team on 1300 105 343.

** Remember, you can save 50% or more on our Holiday program with the Child Care Benefit and Rebate.

HOW TO GET STARTED
Before using our programs register online for an account. This enables you to make bookings, view your statements and manage your details anytime of the day. Registering is quick and easy. Visit www.campaustralia.com.au/newparents

Once registered
You can make bookings and cancellations, view your statements and manage your details anytime of the day.

Save on Care
Save 50% or more on Before and After School Care with the Child Care Rebate. Almost all families are eligible. To find out more call our Customer Service Team on 1300 105 343.

Holiday Clubs
Don't forget about the Camp Australia Holiday Clubs these school holidays.
Use the Holiday Club Finder on the website to find the nearest program: www.campaustralia.com.au/holidayclubs

Healthy Snacks
Afternoon tea is served daily.
Menus are tailored to children’s tastes, developmental and nutritional needs.
Afternoon tea includes a selection of yummy sandwiches and fruit. Children may also engage in fun cooking activities.

We make kids smile

2014 INSTRUMENTAL MUSIC PROGRAM ENROLMENT FORM

Return by Monday 16 December 2013

The following Instrumental Lessons may be available during 2014. Please return this page to the School Office if you are interested in having your child:

(1) commence learning an instrument or
(2) continue learning the same instrument at school.

If you would like to register interest for more than one child, please complete a separate form for each child. Additional forms are available at the School Office.

☐ First time hire of this instrument ☐ Continuation of hire for current instrument

Limited places are available for lessons. Not all instruments are available to all year levels.

Please note that if your child is not immediately placed in the Instrumental Program then his/her name will be put on a waiting list. You will be contacted by the Instrumental Teacher when a suitable vacancy arises.

Student Name: ___________________________ Year Level in 2014: _______________

Parent Name/s: ___________________________ Contact No.(Home): _______________

Email Address: ___________________________ Contact No.(Mobile): _______________

Please note: A copy of this form will be provided to the instrumental teacher.

The energy was high during our unit of work on Economics. An extremely successful Year 6 Market was held in early November. Students, in self selected groups, had prepared business plans, met with business consultants, Bull, Nickeas and O'Connor, trialled products and services and determined pricing. After it was all over they analysed and reflected on the underlying Mathematical and Economic concepts involved including learning a whole new language in economics. They worked with decimals, percentages, used graphs to make comparisons between revenue, expenditure and profit, worked out the wages bill for their stall and discussed concepts around the reality of a business including costs involved and profits made.

The Year 6 Market of 2013 exceeded expectations, and with less students a greater profit was made this year than in the past two years. The students showed a wonderful sense of confidence and design to create a strong sense of community. Their branding and attention to detail really made it something else. We are very proud of the efforts that went into this year’s market. The total profit for the day was $7708.

The Year 6 group would like to thank the parents of our students for their input and support during the lead up to, and on the day of the market. You are amazing in the way that you support the endeavours of your children. The contribution of many families was extraordinary, allowing their children to run very professional stalls with many products being paid for in kind. To our school community thank you for getting behind us; without customers the market would not be such a success. To all the staff and members of the admin team thank you for your support too.

To thank our year 6 families for their hard work the end of year graduation celebration has been fully funded by the market for each student. A generous amount has also been sent to the Breast Cancer Network Australia (BCNA) who provide local support and resources through groups such as Breast Intentions on the Peninsula for women and their families who are consumed by this disease. (for more information you can go to http://www.bcna.org.au/). The remaining funds are being used to leave a legacy of the year 6 group with the school community. After consultation with students, teachers and the school leadership it has been decided that flag poles will be erected in Area C so that all future ceremonies of national significance can be held as a school community with the addition of a new pole and the Aboriginal Flag.

Once again thank you all for your support of this wonderful event. In particular to our amazing Year 6 students who put their heart and soul into it.

Despi O'Connor, Year 6 Teacher.
