Our Jog-a-Thon was a super success today with our students giving their all as they completed an amazing number of laps. Well done to our students for a great effort. I would like to extend a huge thank you to our families and friends who have sponsored students for the Jog-a-thon. A reminder that Sponsorship money is due back to school by the Friday 16th August. Thanks also to Cameron Sweatman for organising the event and to the teachers and parents for their valued assistance.

This week the annual Parent Opinion Survey has been distributed to some of our families. Parents are randomly selected to participate and we use the information to support future planning and improvement. Families in receipt of the surveys are requested to return their completed surveys by Friday 2nd August.

Our planning projections for 2014 at Mount Martha Primary are already underway. To assist us with planning our class structures for 2014 we would appreciate families informing us early if their child(ren) will not be attending Mount Martha Primary school in 2014. We request that parents please provide the principal with written notification that their child(ren) will be leaving the school. The information will be treated as strictly confidential. It will however greatly assist us in ascertaining accurate student numbers for our planning for next year.

Pam Anderson, Acting Principal.

PTA - In a nutshell
