**Mt Martha Twilight Market**  
**Friday 23rd March 2012**  
**3.30pm-6.30pm**

Hello MMPS Families  
This fabulous fundraiser for the school is fast approaching - 3 weeks !!!!!!!!!!

**How you can help** -  
Stall holders are filling fast so if you are interested, or know of anyone who would be interested, in having a stall please fill out the form in the Banksia Bulletin newsletter or go to the office and register your interest. Last year was a fantastic event for the stall holders!

We need sponsorship for our rides - wrist bands will remain at the same bargain price of $20 (pre-sale). This is non-refundable. If your business would like to sponsor this event please make payment of $100 to the office together with a business card - and we will place your business in the Banksia Bulletin Newsletter for the whole of term 2 under the banner of - ‘Sponsors for our Twilight Market’.

Rides - Zorb Balls - ages 6 and up, Inflatable Challenge - all ages, Large inflatable slide - all ages, Chair-o-Plane - age 0 - 12 years, Cup & Saucer - age 0 - 12 years and Small slide - 0 - 10 years. (Remember the due date for the wristband orders is Thursday the 15th of March and the due date for show bag orders is Thursday the 8th of March. Please note that a poster with pictures of the rides and the ages is displayed in the office area.  

As you can see we have catered for all age groups and activity levels - the wristband will allow the children unlimited rides on all of the rides mentioned above.

If you or your business would like to donate goods for our raffle to be held on the night, please contact Jaala 0407 518 767 or the office to organise collection or drop off your donation.

Don’t forget the free dress day - Friday the 2nd of March - a gold coin donation will be collected and used towards the market night.

All year levels have been allocated an activity for the night - this provides further entertainment for the children. Thank you to those parents who have already notified your teacher that you are able to help. It’s not too late if you have not already! Rosters will be worked out and distributed.

Please remember that this event is one of the biggest fundraisers of the year for the school - last year we raised just over $11,000 - providing valuable funds for supplies and equipment for our school. Fundraising over recent years has paid for the new Prep play equipment next to their sandpit, the amazing Year 5 & 6 adventure equipment next to the oval and the resurfacing of the basketball courts.

Regards - Jaala Mayer and the Twilight Market Committee.

Meet the Teacher
Thank you to all the parents who have taken opportunity to meet with their child's class teacher and specialist teachers at the meet the teacher sessions held last week. The partnership between home and school is vital in supporting student learning. Feedback from parents about our online booking system has been very positive and we plan to use the same Parent Teacher Online (PTO) booking system for the management of our Parent Teacher Interviews in June.

School Photographs
The school photographer will be here on Monday 26 March to take our annual class photos. On Friday 9 March all children will receive a photo pack to take home. The photo pack is not to be returned until Photo Day. Please ensure that the correct money is in the envelope. There are a range of options for you to choose from when selecting which package of photos best suits your family needs. If you want to organise a Family photo of your children together you need to complete a Family photo Order form which will be available to pick up from the office from March 9.

Working Bee
It is time for our school to get a bit of a tidy up after a hot dry summer. We have our Twilight Market on Friday March 23. We are proposing a school working bee a week prior to that event so our grounds are looking fantastic during the Market. The date for the working bee is Saturday March 17. There are many things we would like to get done on the day including continuing the great work on the “In the Garden” project. This project is already providing a garden area where children can play, relax and learn about a variety of plants and trees. We need to continue our plan of proposed works required to complete that project. There are a number of smaller tasks around the school that need completing too.

Parents and children who are able to assist on the 17 March are asked to complete the Working Bee slip contained within this Banksia Bulletin issue and return to the school office to facilitate planning for the day.

There will be a special party of helpers required for this particular Working Bee. Julie Moncrieff our Literacy Coordinator is seeking help from parents in the Library at the same time as our outdoor Working Bee. We have a section of the Library where we store our Big Books and this needs to be reorganised. So, if you haven’t got a green thumb but would like to assist please feel free to come along and help out in the Library!

Looking forward to seeing you at the Working Bee.

Hugh O’Brien
Convenor of Facilities Sub Committee.

Year level assemblies in Term 1 & 2
This year we are trialling a different format for our assemblies. There will be two whole school assemblies each term but each Year level will be conducting their own assemblies on a more regular basis. Parents are most welcome at these Year level assemblies. Below is a table of dates and times that will assist you to attend if you wish to. Locations may change depending on the weather and other activities in the school so please speak to your child’s teacher about the location of the assembly. Hope to see you there.

SPORTS NEWS

Swimming Sports

What an amazing 2 days at the Mornington Secondary College Pool. We had over 300 students compete in the school swimming sports last week. Events ranged from the 50m Freestyle events to 25m Butterfly events and everyone had a wonderful morning at the pool.

What an amazing standard and effort from all students. Poppy, Sophie, Elsa & Somer-Lea all broke the school record in their events which was exciting.

Year 5 & 6 students took the swimming to a new level. The final event of the carnival was the student versus teacher relay events. With fingers crossed, Mr Nickeas, Mr Sweatman, Mrs O’Connor & Ms Gadsby took on the year 6 team of Bailey, Erin, Joel and Somer-lea in the a freestyle relay event. With supporters stomping and cheering, the teachers came out the victors.

From results of the 50m events, I now have the task of selecting our school team. Students will be notified and will compete in the District event at Pine Forest Pool in our school team.

A huge thanks to all the parent helpers who assisted on the day. All the teachers did a wonderful job too throughout the Carnival. Thanks Team.

Jogging Club

Jogging Club is run by the Sports leaders every Tuesday – Friday, unless the weather is unpleasant. If the weather is poor an announcement will be made. Starting time is 8:35 – 8:55 (till music starts)

Let see more people out and about on our Jogging club track!!

Diary entry from a Mt Martha housewife

Dear Diary

I arrived home from work and fed the family dinner - the night time arguments started regarding showers and home work - but I had a prior engagement so I kissed everyone goodbye and jumped into the car.

I had a feeling of relief when I got into the car and took a breath and drove off. I pulled up and got out of the car and walked to the door where I was greeted with smiles and laughter and warm hellos.

The wine was opened and my glass was poured.

I joined in on the conversation with the team and we managed to make decisions, listen to each other and update each other on events that had been going on.

The chocolate was then eaten and more laughs were had!

I drove home with a feeling of satisfaction and happiness!

PTA meetings aren’t what you thought they would be.

Penned in the date for the next one! (7/03/2012)
Mt Martha Primary School is having its first working bee for 2012 and we need YOU please!

**Date:** Saturday March 17 2012.

**Time:** 9am - 12pm.

**Location:** Mt Martha Primary School Grounds

**Jobs to be completed:**

Continue to work on the “In the Garden Project”. Relocating rocks. Moving mulch to new garden beds and slope of oval. Painting poles, painting steps and some line markings, cut back all Poas and Lomandras at front of school. Special help is needed in the Library to sort out our Big Book collection.

All children must be accompanied by an adult.

Morning tea and drinks provided.

Please complete this attached slip and return to the office so we can plan and organise the tasks on the day. If you can only make it for an hour it would be appreciated. If you can bring along useful tools like a wheelbarrow, spade, shovel, secateurs, gloves, brooms etc that would also be very beneficial. If you have a petrol powered hedge trimmer it could be put to good use trimming our Poas.

☐ ..............................................................

Yes, I am able to help out on Saturday March 17 at the school Working Bee.

My name is ________________________________ and my child/ren’s names are

Hope to see you there!  Jenny Spiridis and Hugh O’Brien.
Your school USB is for schoolwork only!

USBs

Students at Mount Martha Primary School in years 3 to 6 now have their own USBs. ICT is used to support learning and to enhance teaching and having USBs is a great way to allow students to work on projects at home and at school. Students have been learning about using technology in a responsible, efficient, ethical and legal manner and with this in mind, the following guidelines for USBs have been developed by the school ICT committee and Mount Martha Primary School staff.

**USBs (Universal Serial Bus) are to be used for schoolwork only, this may include: photos/images for school purposes and documents that are required for homework. There should be no games, music (unless related to homework), .exe files, inappropriate material or downloads that may damage the school network. The consequences for bringing inappropriate material to school on a USB may include the USB taken away for two weeks and/or internet ban for two weeks. In the case of a more serious breach of this policy the student may also be given time out and the student’s parents will be notified.**

Make sure your USB has your name on it. They are easy to lose!

Sarah Forward, ICT Teacher.

40 KPH for SAFETY - Travel NO FASTER than 40 KPH along Glenisla Drive within the school zone.
Driving and Parking safely around our school

We have noticed that many parents are performing U-turns between the roundabouts in Glenisla Drive. This is not only illegal but also very dangerous in this area. The following extract from the VicRoads website outlines the law in regards to solid continuous lines.

"It is illegal to perform a u-turn over a single continuous dividing line (since the road rule changes in Nov 2009). Uturns account for a disproportionally high number of crashes each year. They are especially dangerous where there is a mixture of cars, pedestrians and cyclists, such as in a school zone. In the five year period 2004 to 2008, there were more than 1500 u-turn crashes in Victoria, resulting in 19 deaths and more than 600 serious injuries. Drivers who perform an illegal u-turn face a fine of $234 and three demerit points if caught."

Parking is at a premium around our school and we ask that parents observe signs and line markings.

- Kiss and Go zone is not a parking area. Flow of traffic should be ongoing in this area with parents pulling in and out without leaving their cars.
- Roadsides marked with a solid line are no parking areas. This also applies to round-a-bouts and the areas adjacent to them.
- Eco Park area although not a car park is available for parking. Please use this area carefully due to the uneven surfaces. Remember pedestrians use this area and should take priority. When entering and exiting this area cars must give way to pedestrians and other footpath users.
- Roadside reserves are no parking areas.

To decrease traffic and parking stress around our school parents need to utilise the Park and Stride at Mt Martha House to meet children or teach and encourage children to walk to school.

80% of our school population live within a 2km radius, making walking to and from school easily attainable. Children benefit immensely from this exercise morning and afternoon. Part way is ok, is encouraged with a great route from Mt Martha House available for all students. Organise your children to meet others, establish your own walking groups and start travelling to and from school smarter. This will benefit everyone in our school community.

And please for safety’s sake, do the right thing.

For more information please go to:

Ride2School on Thursday 22 March

Mount Martha Primary School will be celebrating National Ride2School day on Thursday 22 March, along with thousands of other schools around the country. We encourage students and their families to leave the car at home on this day and get a taste of the benefits, ease and fun involved in choosing to walk and wheel to school.

Here are some ideas to beak some barriers:

- If you live too far, or your route could do with improvements, try using the Mt Martha House route. (400m)
- Park at the shops. You can meet friends for coffee after you walk to school. This way you have also exercised! (600m)
- Organise for your child to meet up with friends at a particular point. Meeting at the Walara Road shops on the corner of Kinross Street is a viable option (750m), or the corner of Bay and Dominion Roads. (1.2km)
- Meet friends at the corner of Dickinson and Somers Roads (750m).

We are hoping to have very few cars out the front of school on this day both in the morning and afternoon. Please be a part of this celebration of travelling smarter.

Fewer cars mean safer roads.

TravelSmart Coordinator.

PTA FOR 2012

As you may know the Mount Martha Primary school PTA are a group of parents who work hard providing wonderful activities and fund raising events within the school. We have had a small but dedicated group as the core of our team and often get extra helpers for specific events. However, due to children growing up and families moving on to secondary school we have lost a number of our amazing team. We know there are so many wonderful parents out there with different skills and ideas. We need some more of you to come along to the AGM and show your support. PTA can only function if parents put up their hands to help with this fantastic group. Teachers who have already volunteered for 2012 are Cameron Sweatman, Jason Antoniou, Alice Harvey and Judy Beckworth.

What does this mean to you and your Children you ask?

For starters without PTA we would lose all the wonderful events such as……

Movie nights
Mother’s day stall
Father’s day breakfast
Discos
Picnics
As well as fantastic fundraising events like…

Ladies Oaks Day
Clothing swap night

I know there are many reasons that you may not have been part of the PTA before and believe me I have heard many strange rumours about PTAs.

Questions and Answers about PTA

Q: If I come to a meeting, will I have to help with everything and go to all the meetings?

A: No! You can come to as many or as few meetings as you wish. You can also do as many mums did last year and put your hand up to help organise one event but then take a back seat for everything else. On the other side, you can be very involved, if you have the time.

Q: I know it is often a group of women, so are there dramas and politics involved?

A: Not at all. In fact we have a relaxed group who are very open to all ideas. If somebody comes in with a new idea and wants to run with it we are more than happy to support them. The meetings are relaxed and often very funny; we generally have a plate of food to share and a glass of wine to end the day.

Q: I don’t know anybody on the PTA?

A: Fantastic… we don’t bite! We love having new parents come along. In fact when I started at the school three years ago I didn’t know anybody at the school and I went along to a PTA meeting. I have made some wonderful friends there!

Finally I just want to say that despite rumours that the PTA is made up of all “non-working” mums with lots of time on their hands that is completely false. In fact every single mum there is a working mother who gives as much time as they can. Sometimes they can help a lot and then at other times of the year when they are busier they ease off.

We realise that you all have busy lives, but we would hate to let the PTA lose its effectiveness when we have a school of over 400 families. If everyone just came to one meeting a year and helped out at one event for an hour we would be ridiculously happy!

Thank you for your time

Amy Chinnick, PTA Vice President.
Drop in for a cuppa – before School Assembly!

Monday 5th March 2012.

Prior to the School Assembly on Monday 5th March, the PTA is offering a very casual cuppa for parents (younger children are welcome too!) in the Staff Centre from 2.15pm - 2.45pm.

Please feel welcome to drop in for a cuppa (no cost) before you go to the School Assembly – everyone is welcome and it’s a nice way to catch up with friends or meet a few people.

Please don’t forget…………………

Our Annual General Meeting will be held on Wednesday 7th March at 7pm in the Staff Centre. This will incorporate the election of new office bearers – please consider if you would like to be involved on the committee. This is also a good opportunity to come along (no obligation at all) and find out more about the PTA. We hope to see you there!

Coming up soon………

The TWILIGHT MARKET – on Friday 23rd March 2012

3.30 – 6.30pm.

The PTA is organising food and drink stalls and would welcome your help. Leave your details at the office.

Have a great week!

Jan Gough (PTA President) and the PTA Team.
