It is hard to believe we are more than half way through November and summer is just around the corner. At this stage of the school year we are busy with the many “end of year” tasks and special events associated with the final term. The other day I was speaking with Judy Beckworth who will be returning from her Long Service Leave for the start of the 2014 school year. I have arranged a time for Judy to meet with the school leadership to plan for the “big picture” directions for the school next year. Judy is very much looking forward to being back on deck next year as Principal and we look forward to planning for another successful year at Mount Martha Primary School.

Prep 2014 Transition Afternoon Tea

The afternoon tea was a most enjoyable experience for the children, parents and teachers. They were able to mingle and get to know each other whilst partaking in the yummy afternoon tea and fun activities. We have a series of planned visits for our 2014 Preps and their families between now and the end of the year. Today we welcomed the Prep 2014 children back to school again for classroom activities.

Year 3s Camp at Somers

Congratulations to the Year 3s on their excellent behaviour and participation in the Somers Camp last week. The students all enjoyed their time despite the less than perfect weather – from all accounts the camp was a huge success. Thank you to our wonderful Year 3 teachers and our parent volunteers for their efforts on the camp.

21st Century Learning in Year 3

Earlier in the year I reported on aspects of 21st Century learning in the Year 5 and 6 areas. The use of collaborative groups and flexible learning spaces is incorporated in learning across all levels of the school. This week the Year 3s would like to share some of their learning experiences working collaboratively and using flexible learning spaces.

The teachers in Year 3 work collaboratively to prepare children to live, learn and be prepared for the demands of the 21st century. For the teachers this means sharing ideas, expertise, vision and developing a sense of responsibility for the children in their care.

The students are encouraged to become independent learners and thinkers, working alongside their friends and classmates to extend their thinking.

Here are some of the students’ reflections on how they view ‘collaborative learning’.

“In Maths groups we have been able to work together and you can hear how other people work something out.” Tia

“Having two teachers, we get to learn more things because two teachers means two minds.” Chloe

“I love it when people help you when you are stuck”. Brooke

“We listen when people are speaking and sharing their ideas”. Fergus, Emily

“Doing our class Blog together is working together.” Fergus, Emily & Brooke

“I like how other people include other people in their science experiments.” Brooke

“I like “Matilda” because after the movie we looked at the differences between the book and the movie with partners and we thought of much more together than by ourselves.” Maggie
“It’s good to do Sport together because we make new friends you might want to be with next year.’ Amelie

“I like sharing my ideas.” Lucy

“I think friends are just like brothers.” Oliver

‘At camp we worked really well as a team and helped each other get through the spider web problem solving course.” Matteo and Austen.

Assembly

Well done to our Senior Choir, Preps and Year 1s on their delightful performances at assembly yesterday. We enjoyed hearing the choir’s rendition of “Titanium”, the Preps “I’ve Got a Pair of New Shoes” and the Year 1s “Little People”.

Typhoon Appeal

We also heard from a group of Year 4 girls who have taken the initiative to organise an appeal to help the victims of the recent devastating typhoon in the Philippines. The girls will be coming around to the classrooms to collect money donations for this cause on Friday. We heard how $85 would provide five families with hygiene kits to protect them from diseases. We also learnt that $120 would provide toilets for 40 people and $274 provides clean, safe drinking water. The girls organising the appeal will give each child making a donation a bookmark as a thank you. They hope the children in our school will support this appeal by remembering to bring a donation on Friday 22nd.

Bula Books

Our SRC representatives spoke at assembly about the Bula Books project to supply books to school children in Fiji. Many books have already been donated, in fact we have already collected the grand total of 1712 books! We will be collecting till the end of November. There will be a prize for the class that collects the most books. Keep up the great effort everyone with the book donations.

School Uniform Policy

Thank you to parents who offered feedback when the draft of the new school uniform policy was included in the Banksia Bulletin last term. The revised uniform policy was presented and passed at School Council last Thursday. The new policy is included in this Bulletin. We have added a couple of uniform items in response to feedback. Polo neck skivvies in school colours are now included as well as navy full length leggings to be worn with winter tunics. Please note the uniform policy on footwear – I am aware it is difficult to find sports shoes without fluro colours at the moment but we are requesting sensible choices for school sports shoes in the school colours of red and blue if black and white shoes are too hard to find. As many families will be purchasing new school shoes over the holidays we ask you to please be aware of the policy.

Pam Anderson

Acting Principal

LIBRARY NEWS

As we are nearing the end of the school year, we will be doing a much needed stocktake of the Library.

We are asking all parents if they could do a big search at home for any of our library books. We know we have many outstanding loans and also books just missing in general, not just from this year but over the last few years.

Thank you to all those who have already returned books, but there are still many more!

Your assistance in this matter would be greatly appreciated.

Thanks

Maria Harvey, Library Assistant.
KidsMatter and You Can Do It!

The students in 2F would like to share some information and activities that we have been doing this term, related to KidsMatter and You Can Do It!

We did a poster about Persistence and what it feels like, sounds like and looks like. Kassidy

Persistence is if you didn't keep trying and trying you wouldn't be able to do it. Erica

Persistence means when you don’t give up and keep trying. Tegan

Persistence is if you make a mistake you can try again. Harry

Most mornings we have a sharing circle where everyone describes how they are feeling, before starting our work for the day.

The feelings circle is about getting to know how everyone is feeling today. Archie

If we have a bad worry or feeling we share it with the class and that gets rid of it. Sienna

I like caring about people and if they've had good or bad days. Kya

I like to know other people’s feelings so if they're sad we can find a way to cheer them up. Mia

I like listening to other people’s feelings. Harry

Our “Worry Box”

The Worry Box is a box and you write down your worries and put it in the Worry Box and then you can stop thinking about it. Jonny and Archie

If we have a worry we can put it in the worry box. Erica

Thank you - 2F.

Our kids matter.

kidsmatterprimary.edu.au

SPORTS NEWS

Jogging Club

Only ONE week left of Jogging Club till we close for 2013. If you need to push yourself to reach a milestone, make sure you get down to the basketball courts every Tuesday – Friday at 8.40am – 8.55am (till music starts) to get some laps completed. Certificates will be presented to those children who achieve a milestone at their year level assemblies.

Jogging Club finishes on Friday 29th November.

Summer Lightning Premiership– Regional Championships

Good Luck to our Senior Kanga ‘s Girls team who will play on Tuesday at the Regional Championships. We wish all the girls and Mr Nickeas all the best for the big day.

Cameron Sweatman, Physical Education Teacher.
**Family Maths Problems**

Here are some ways you can enjoy Maths with your family.

**Lots of Saucepans**

You will need

- Saucepans
- Paper and pencil

What to do

1. How many saucepans are there in the kitchen cupboard?
2. How many lids (saucepan lids) are there?
3. Arrange the saucepans from smallest to the biggest, and fit the lids on. (Not all the saucepans may have lids).
4. Draw your answer
5. Try stacking the saucepans.

Can you arrange the saucepans in the cupboard so they take up less space than before?

**Massive items**

You will need

- kitchen scales
- variety of objects from around your house, such as spoons, toys, shoes, pencils and a ruler
- paper

What to do

1. Rule four columns on your paper.
2. Label them 500 grams or less
   - 500 grams to 1 kilogram
   - 1 kilogram to 2 kilograms
   - over 2 kilograms
3. Weigh some objects from around the kitchen and house and draw a picture of each one in the correct column.

P.S. If you don’t have scales, have a look in the refrigerator and cupboards and find something that weighs 1kg and something that weighs 500g. Using your arms as human scales, with either the 1kg or 500g object in one hand and one of the objects you have collected in the other, make some careful guesses. For example, ‘This biscuit tine feels a lot heavier that the 1kg packet of sugar I have in my other hand’ so I think it will put in the over 2kg column.

**Measure the Titanic**

You will need

- a reasonably accurate idea of how to pace out a metre
- tape measure (1 – 5m)

What to do

The **Titanic** was a famous ship 260 metres long, which was hit by a giant iceberg and sank. To get an idea how big that really was (and how big the iceberg must have been to sink it) go outside and pace out 260 metres. Before you start pacing have a guess where your thing 260 metres will be.

How many lengths of the family car would equal the length of the **Titanic**?

How many lengths of your bike?

NOTE: *The Guinness Book of Records* can ve a great source of lengths and heights.

**Something extra:** Noah’s Ark was reported to be 400 cubits long. A cubit is about 46cm. Was the Ark bigger or smaller that the **Titanic** and by how much?

Donna Gadsby, Maths Curriculum Leader.
Parents’ and Teachers’ Association Noticeboard

Term 4 Events

We still have limited vacancies for our Portrait Day on Saturday 30th November at the Briars. They are a great idea for a Christmas gift or if you desperately need updated family photos. To secure your time spot for the day, please phone Simone on 0419 335 013. The company Aver & Line offer professional family and individual portraits. Please check out their website to get a taste of what they can do www.averandline.com.au

Let’s start Summer off with something cool – ‘Zooper Dooper’ Day – Friday 6th December – order forms will be coming home this week.

‘Carnivalé Spectacular’ – Friday 21st March 2014 – we have started to organise this wonderful MMPS school event – Rides, show bags, cake stall, magic shows, food, drinks, activities – beauty booth, ice cream making, chocolate game and more !!!!!!! This event does not run by itself and we have a dedicated Carnivalé committee and we need your help – please fill out the slip below and return to the school by Friday 13th December. Without your support we will not be able to hold this event – remember ‘many hands make light work!’

Jaala Mayer, PTA President.

Yes I can help on the Carnivalé Committee.

There are now 3 LITTLE FREE LIBRARIES in Mt Martha!

- 35 Watson Rd (outside Mt Martha Pre-School)
- Scenic View Drive (cnr 2 Banksia Grove)
- 42 Dominion Rd

Visit one soon or visit: littlefreelibrary.org to start one of your own.

Happy reading!
A fun day was had by all at the Safety Beach Yacht Club for our fabulous Oak’s Day Ladies Luncheon (there are many photos from the Photo Booth to prove it!), we even have some budding models in our community!

The success of the Oak’s Day Luncheon would not have been possible without the generous support from our local and nationwide businesses! The Oak’s Day Luncheon Committee would like to extend our gratitude to the following businesses and ask that the Mt Martha Primary School Community support them!

Uniform Policy
Mt Martha Primary School

Rationale:
- A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Dress Code.

Aims:
- To further develop a sense of pride in, and identification with our school.
- To provide durable clothing that is cost effective and practical for our school environment.
- To enhance the profile and identity of the school and its students within the wider community
- To strengthen the spirit of community within the school
- To promote equality amongst all students.
- To prevent bullying and competition on the basis of clothing.
- To encourage students to develop pride in their appearance
- Reduce the risk of UV skin damage.

Implementation:
- After consultation with the school community, School Council has developed a Dress Code that we believe provides choice for the students, allows for students to safely engage in the many varied school activities and caters for the financial needs of our community.
- The wearing of the designated school uniform (appendix 1) will be compulsory at Mount Martha Primary School.
- School Council requires the Principal be responsible for implementation of the Dress Code in a manner consistent with the Student Engagement Policy.
- Parents, teachers and students are responsible for ensuring that the appropriate uniform is worn.
- The Dress Code applies during school hours, while travelling to and from school, and when students are on school excursions (unless otherwise specified).
- For safety reasons jewellery will not be permitted to be worn with the exception of sleepers and studs in pierced ears and wrist watches.
- Extreme hair colours (e.g. green, pink or purple rinses) and/or extreme hairstyles (eg: spikes or mohawks) are not permitted. For health and safety reasons hair that is shoulder length or longer will be tied back. Hair ties/bands are to be navy, white or red.
- Other than clear nail polish, cosmetics may not be worn at school.
- Body transfers are not permitted.
- The only hat that is acceptable from September 1st to April 30th is a navy Sunsmart hat (bearing school logo or plain) consistent with our Sunsmart policy. Hats are to be worn outside only.
- School uniform navy or red fleecy beanies are optional uniform items that can be worn 1st May to 31st August. Beanies are to be worn outside only.
- The only school bag/backpack is a Mt Martha bag bearing the school logo.
- The student Dress Code, including details of uniform items and places of purchase, will be published in the newsletter at the start of each term.
- Prescribed clothing items are attached.

Discretion:
- Support for families may be available through the school’s wellbeing contact.
- Parents seeking exemptions to the Dress Code due to religious beliefs, ethnic or cultural background, student disability, health condition or economic hardship must apply in writing to the School Council.
UNIFORM ITEMS

School back-pack bearing the Mt Martha logo

Girls Summer Uniform:
- Red and white gingham dress
- Ink navy windcheater or fleecy vest or jacket
- Red, white or ink navy Polo shirt
- Ink navy shorts or skorts

2014 INSTRUMENTAL MUSIC PROGRAM ENROLMENT FORM

Return by Monday 16 December 2013

The following Instrumental Lessons may be available during 2014. Please return this page to the School Office if you are interested in having your child:

(1) commence learning an instrument or
(2) continue learning the same instrument at school.

If you would like to register interest for more than one child, please complete a separate form for each child. Additional forms are available at the School Office.

☐ First time hire of this instrument ☐ Continuation of hire for current instrument

Limited places are available for lessons.
Not all instruments are available to all year levels.

Please note that if your child is not immediately placed in the Instrumental Program then his/her name will be put on a waiting list. You will be contacted by the Instrumental Teacher when a suitable vacancy arises.

Student Name: ___________________________ Year Level in 2014: ______________

Parent Name/s: ___________________________ Contact No.(Home): ______________

Email Address: ___________________________ Contact No.(Mobile): ______________

Please note: A copy of this form will be provided to the instrumental teacher.

INSTRUMENT HIRE

Instruments available for hire from the school are Clarinet, Flute, Saxophone and Trumpet for $168 per year.

☐ I would like to hire an instrument in 2014  ☐ I will supply my child with their own instrument

All instruments are to be returned to the School Office by Friday 5th December 2014. A late return fee will be imposed for those instruments not returned by this date. There is no hire available over the December/January school year break. This time is necessary for instrument maintenance and for the school to be able to meet hire needs for 2015.

REFUND POLICY

Refunds are calculated on a pro rata term basis (not on a weekly basis). Parents wishing to cancel their Instrument Hire Agreement due to unforeseen circumstances are to contact the School Office. If a refund is approved it will be calculated as follows; for example: If you return an instrument in Week 1 of Term 2 you will receive a refund for Terms 3 & 4. If you return an instrument in Week 10 of Term 3 you will receive a refund for Term 4. A pro rata refund will be issued for the remainder of the school year.
