Principal Report

Our smooth start to the school year continues! We had our first assembly last Tuesday and our Assembly Captains did a fantastic job setting up and running our assembly. It was great to see parents and friends of Mount Martha Primary School in attendance. Well done all our Preps who attended their first school assembly and had a Teddy Bear’s Picnic on the same day! Year 3’s enjoyed their excursion to historical places in Mornington on Monday. Next week we have swimming sports for our Year 5 and 6 students on Tuesday 24th February and Year 3 and 4 students on Wednesday 25th February. The sports are at Mornington Secondary College and promise to be a fun-filled day. If you are attending the event please park in the Bunnings Car Park to assist the Secondary College with parking management.

Meet The Teacher - It was great to see so many parents taking the opportunity to share information with the teachers at the Meet The Teacher evening on Tuesday and Wednesday this week. Establishing new relationships with class teachers and open lines of communication is important in the learning partnership we enjoy with students, parents, teachers and other school staff.

School Council Election - As mentioned in last week’s newsletter, nominations for the 3 parent member and 2 DET employee member vacancies for School Council close at 4pm on Monday 23rd February. Nomination forms are available from the Office.

Whole of School Photos - some advance notice that school photos will be taken on Thursday 5th March. Envelopes will be sent home Friday 27th February.

Insurance - Parents are reminded that the Department of Education and Training does not provide personal accident insurance or ambulance cover for students. Parents and guardians of students, who do not have student accident insurance/ambulance cover, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance/transport and any other transport costs. Commercial insurers have insurance policies for purchase should parents wish to explore that option.

The Department also does not hold insurance for personal property brought to schools and it has no capacity to pay for any loss or damage to such property. It is always a good idea to remind students of the need to be extra careful when bringing toys, sporting equipment or those special “Show and Tell” items to school.

Carnivale - Carnivale is on Friday 20th March. It is shaping up as another fantastic event for our school community. Orders for Show Bags were sent home yesterday and wristbands for rides are on the way. Please return by the due date is very important for the organisation of this part of Carnivale. Helpers are required to assist on the afternoon and evening ensuring we can spread the load and everyone has a chance to share the fun. Please let the Office know how you can assist.

Thank you for the great work of the planning committee to date.

Kind regards

Martin Page
Lunch Orders

We are happy to announce that we will be trialling a new lunch order delivery system for our students commencing next Thursday 26 February. This new arrangement is with “Bakerymade”, a food preparation service based in Mornington. This company currently offer a lunch order service to Balcombe Grammar and Moorooduc PS.

The proposal is to offer lunch orders for our students on a Thursday and Friday (which are the same days as the schools listed above).

Please note – Jon is hoping to have all our school details entered into the app by Monday 23 February. This includes our school name and all our classes. It would be wise to wait until that date before downloading the app.

The most convenient method for ordering school lunches for your child/ren is to download the app from the iTunes store or google play – just search for the Bakerymade (all one word) app. Download and install the app and then open it and register as a customer. There are a number of steps to follow. It is important that you provide your home address for billing and not the school address.

Jon, the proprietor of Bakerymade, has kindly provided a set of instructions attached to this newsletter plus the current menu and price list for school lunches. Please detach that form and keep it at home as an easy reference. All accounts will be settled on a monthly basis. No cash is required using this system. Orders must be placed, preferably the night before, but no later than 8am on the day the lunch is to be delivered.

Once the app is open parents will be able to view the sub menus ie. Sandwiches, hot food selections, snacks, pies & pasties (Friday only), muffins & slices (Friday only) and Gluten free.

Some items are only offered on a limited basis to ensure that the recommended “occasional” food types can only be ordered once a week.

The food will be delivered by Jon at approximately 12.30 on Thursday and Friday and then distributed to the classrooms in time for the children to commence eating at approximately 12.45pm.

Hugh O’Brien, Assistant Principal.

SCHOOL PHOTOS - THURSDAY 5 March 2015

CLASS & INDIVIDUAL PHOTOS

Class and individual photographs of all students will be taken at school on Thursday 5 March.

ENVELOPES WITH CORRECT MONEY ARE TO BE RETURNED ON PHOTO DAY ONLY

PLEASE DO NOT SEND IN BEFORE THAT DAY

All children will receive an order form pack on Friday 27 February.

Packs range in price from $22-$42. There are 8 options you can choose from depending on how many photos you require.

** Sorry - No change available at the school office **

Each student will be given their own order form pack specific to their class.

Each student must hand his / her own envelope to the photographer on the photo day.

If the envelope is not presented the photo pack will not be included in the main delivery to the school.

FAMILY PHOTOS

Parents who want their children to have a Family Photo, need to collect a Family Photo envelope from the office from Monday 2nd March. The photographer will collect Family Photo envelopes on photo day and the children will be called to pose for those photos during either the morning or lunch recess.

Correct uniform with attention to detail please.
Student Conveyance Allowance Application Private Car Travel

Students attending a Primary or Secondary School
An application on behalf of a student may be submitted if the student is:

- a Victorian resident
- school aged and enrolled (3) three or more days per week at a school; and
- attending a school/campus located outside the Melbourne metropolitan conveyance boundary

A student who meets the above requirements may be eligible if they:

- attend their nearest or designated neighbourhood government school/campus appropriate to their year level, at which admission is permissible, or
- attend their nearest appropriate non-government school/campus appropriate to their year level, at which admission is permissible, and
- reside 4.8km or more by the shortest practicable route from the campus attended.

If approved the allowance payable is based on the one way distance to make the journey to and from school.
No allowance is payable if the journey to and from school could be made using a public transport service or contract school bus.
Before completing the form please read the information about the Conveyance Allowance Program at http://www.education.vic.gov.au/school/principals/finance/Pages/conveyance.aspx

APPLICATIONS ARE AVAILABLE AND NEED TO BE SUBMITTED TO THE SCHOOL OFFICE BY TUESDAY 3RD MARCH, 2015

Curriculum Information Nights

The positive partnership between home and school is a vital link in a child’s education. In Term 1 our teachers like to provide the opportunity for parents to come along to a Curriculum Information session.

The information disseminated at these sessions can provide you with a valuable insight into the engaging learning and teaching programs that operate throughout the school and consequently how we can work together to best facilitate optimal learning experiences for your child.

Please be advised of the following dates and times for the MMPS Curriculum Information Nights. Each session runs for 40 minutes. We hope to see you there.

Beach Program

In Week one of the Beach Program the Year 3 - 6 students participated in the Water Safety program. The very positive attitude that all the students had during the Beach Program allowed the program to run smoothly and of course the weather was absolutely magnificent too!

The Year 3 & 4 students learnt a variety of survival skills and increased their knowledge of the local beach environment. Understanding the correct techniques for using rescue tubes and nippers boards were other important skills the children focused on. The children also practiced running in shallow water and acquired some useful skills when using a lifejacket.

The Year 5 & 6 students were involved in more complex nippers board and surf ski activities that made them aware of the different skills and survival techniques required in a water environment. A CPR session allowed the students to understand the importance of safety at the beach and all students learnt the proper procedure for assisting a person in need of help. To conclude their program, the students participated in a mini “Carnival” involving small teams competing in running, surf skis, boards and a swim event. To the tune of “Eye of the Tiger” the teams participated enthusiastically in the carnival utilizing all the skills they had learnt during the Beach Program sessions. Teams competed and supported each other throughout the Carnival. Well done to all our students!

The carnival winning teams:

Yr 6: Fynn, Cerys, Sophie, Flynn, Niahm, Stella, Mia B, Tara & Archer
Yr 5: Team 1 – Atty, Ella, Ruby, Josh, Matteo, Harrison, Jamie R-L & Nathaniel
Team 4 – Billy, Gus, Vivienne, Hamish, Kirraley, Liana S-P, Ollie, Joe & Arthur

The Beach Program cannot be conducted successfully without the support of parents who assisted with the walk from school, running beach activities, taking small groups for a walk session, judging some beach art creations and of course walking back to school. Thank you!

Thank you to all of the class teachers that assisted with activities and made sure that all students were safe and had a great time.

Thank you to the Mrs Nolan, Mrs Liddell, Miss Russell & Mr Beirne for assisting with the BBQ.

Swimming Sports

Next week is our School Swimming Sports at Mornington Secondary College. Students are encouraged to wear their house colours to the event and support their team to see who will be crowned House Swimming Champions for 2015. On the day of both events, I will need some assistance from parents to act as timing judges. Please consider this request and if you are available to assist please contact me on 5974 2800 so I can plan the carnival accordingly. Your help would be much appreciated.

Parents: Mornington Secondary College has requested that if you are intending to attend this event at their pool, could you please park your car at Bunnings and walk across to the venue? Thank you.

Jogging Club

Jogging Club will start again for 2015 in March. I am still sorting cards into new classes and making new cards for preps.

Mr Sweatman, PE Teacher.
Relay for Life

This year’s Cancer Council Relay for Life will be held on the weekend 28 February - 1st March at Mornington Secondary College. Each team must walk their baton from 3pm Sat continuously until 11am Sunday in a bid to raise funds for Cancer research. This year one team (called YOLO) has families from Mt Martha Primary taking part. As part of the teams fundraising they will be conducting a highway collection this Saturday 21st February on the Nepean Hwy, Main St intersection. So if you see them give them a wave & a coin to help support their efforts!

Many thanks,

Jemma McInerney.

In conjunction with the support of a member of our community we hoping to set up a free activity table where students, families and members of our community can make a poppy to be part of “5000 Poppies A Community Tribute of Respect and Remembrance.” 5000 Poppies is an exciting and ambitious nationwide grass roots community tribute of respect and remembrance. The initial aim is to “plant” a massive field of handmade poppies in Federation Square Melbourne on ANZAC Day 2015 as a stunning visual tribute to Australian servicemen and women for more than a century of service in all wars, conflicts and peacekeeping operations. Phillip Johnson, Australia’s premiere landscape designer will join us to develop our display, and we are gathering together over 100,000 poppies from all over Australia and indeed the world for our project. http://5000poppies.wordpress.com/about/.

In preparation for this activity at the Carnivale 20th March, Natalie a member of the PTA will be at the Milkbar & Co. Café 42 Lochiel Ave, Mount Martha on Thursday morning 26th February at 9.30am for a session of coffee, chat and cutting out of the poppy stencils. Anyone with an hour or so to spare and a pair of scissors is welcome to join in this extremely worthwhile community project. If any members of our community have red fabric (plain or patterned), buttons, thread or needles they wish to donate please leave them at the front office.

Many classes have now begun to incorporate the elements of our writing program into their daily Literacy sessions. VCOP is an acronym for four very important components of writing. Ros Wilson, the UK educator who researched and began the VCOP and Big Write initiatives, found that these four components were regularly utilised by very good writers, and poorly by those students who struggle with writing. This term, we are focussing particularly on **Vocabulary** and **Punctuation**. In this edition of The Literacy Loop, we will look at how children can improve their oral and written vocabulary.

**V** - is for vocabulary (ambitious WOW words) and children are encourage to widen their use of language to make their writing richer. In the classroom new and expressive words are shared, displayed and celebrated. Children are constantly playing “detective” to locate words they might find during shared and independent reading, discussions and writing.

**How can we work to improve our childrens’ use of vocabulary?**

- **Be a good listener!** Children want your attention, so active and attentive listening will promote oral language use.
- **Talk! Talk! Talk!** Encourage your children to talk by asking questions that require more than a “yes” or “no” answer. Prompt them to talk about feelings, ideas, opinions, emotions and describe things.
- **Read to them and get them reading!** Children who read more tend to have better vocabularies. Show how authors use words to effect and become “word conscious”.
- **Relate new words to known words and look at them in “families”.** Even learning new words that are linked by a common theme assists children to recall them when needed, just like very young children learn the names for farm animals.
- **Show and Tell**—when you go anywhere, encourage your child to collect things to bring home to show family members, and to bring to school to share with classmates. Encourage descriptive language, questioning and extension of vocabulary that is specific to the item.
- **Subscribe to programs that generate the “Word of the Day” or challenge your children to come up with their own from dictionaries or a thesaurus.**
- **Play word games such as Taboo, Scrabble, Upwords, etc.** There are some terrific ipad games that involve finding synonyms, using descriptive language and finding words from clues. Try “What’s the word?” and “Word Stack”.
- **Use the correct terminology for things when speaking to children.** Correct mistakes with care and praise attempts to use ambitious words.
Year 6 Literacy

We are busy working on Narratives in the Year 6 area. We are incorporating all aspects of VCOP (Vocabulary, Connectives, Openers and Punctuation) in our Big Write sessions, which we run on a Thursday morning. We spent the week practising our skills ready for this time. We would love to share with you all a fantastic piece of writing that was written in ten minutes by one of our students.

The Outback

By Ruby 6B

The land is burning and there are gusts of wind very frequently. My skin is frazzled and dry and our sweat evaporates quickly. My hair is stinky and teased. The dogs are weak and my stomach hollow, and so is my heart. The dogs only get hotter and my mum and I are starving.

All the trees around me are struggling for survival and there is no water for miles and miles. If you are lucky there will be a muddy pool. Life is hard out here but my feet will carry me for miles to come.
Parents’ and Teachers’ Association (PTA) Noticeboard

Mt Martha PTA aims to:
Provide opportunities for parents to meet and socialize with other parents.
Generate funds to help make our school a better place for our kids.

In the past 12 months PTA funding has provided new:
- Playground equipment
- Shade sails over playgrounds

PTA cannot fundraise and/or run events for kids and parents without your help!
