Reminders: Next Tuesday 28th October at 7pm the Family Life Parent Information Session will be held in the Staff Centre. Please return the slip in last week’s newsletter or notify the office by tomorrow Friday 24th October to indicate your attendance.

The PTA will be running a Billy Cart Workshop next Thursday 30th October in the Staff Centre. It starts at 5.30pm. Some great tips and construction activities!

Both should be informative and fun evenings. Hope to see you there!

Our Grade 6’s have been working hard in preparation for “Market Day”, Friday 31st October. They have been working hard developing their creative ideas into profitable ventures. Good Luck on the day!

Japanese Day: Thank you Mr Nickeas, teachers and our student leaders for running the Japanese Day last Friday. The fun art and craft and sporting activities made it a terrific day for the students!

Planning for 2015: It is approaching the time of the year when teachers are starting to plan grades for 2015. A lot of care is taken with many factors taken in to account. To assist in this process could parents inform the office staff if their child is not returning to Mount Martha Primary School for 2015. Thank you for your assistance.

Assembly: We held our first whole school assembly for term 4 yesterday. It was a great opportunity to bring our school together to share events, celebrate our students’ achievements and showcase their musical talents. Great to see some of our parents were able to attend as well.

CAN PARENTS CONTROL WHAT WEBSITES YOUNG CHILDREN CAN ACCESS ON AN IPAD? THE ANSWER IS YES.

The web filtering in iOS 7 is a feature of the low-level networking system in iOS 7 (known as NSURL Connection). It filters all web traffic that comes through that channel. This means that all web views built into apps, as well as third-party browsers such as Chrome, iCab and Dolphin, get filtered.

HOW DO YOU TURN IT ON?

The manual method is to navigate to Settings > Restrictions (you may have to enable Restrictions)> Allowed Content > Websites.

At this stage you can select from a couple of methods of restricting access to inappropriate sites for your child/ren. If you leave this option as “all websites” it means that there are no restrictions in place on the ipad. Selecting from the other 2 options allows you to take some control over what your child can access from the internet. The “Specific Websites only” option can give parents much more control over what content is being accessed on that ipad.

SCHOOL COUNCIL MEETING Thursday 13th November
The Year 6 Market Day is nearly here! There has been lots of preparation by the students and teachers. Over the past 8 weeks the Year 6 students have been working towards creating successful stalls. The Market will be held on Friday 31st October between 11:30 and 1pm.

At Mount Martha Primary School we strive to encourage ‘student voice’ and give our students the opportunity to explore creatively. In doing so, when the Year 6 Market is introduced to the students many stall ideas and concepts are brainstormed and discussed. The students then form their stall groups and become passionately involved in developing the concept for their stall. The enthusiasm and excitement is evident on their faces; and momentum is generated immediately.

In the lead up to the Year 6 Market Day the students learn many concepts related to managing a small business venture like the Market. These skills are transferable to other settings and can be applied to future projects and community events. The students also gain valuable knowledge in the areas of: economics, business management and marketing. In Term 3, many students wrote formal business letters to local organisations seeking sponsorship and donations; as well as following these up with phone calls and personal visits. The confidence needed by the children to approach business managers in person was huge, and many have benefited from this experience.

Not only have they had to write, phone and approach local business organisations; the students have also had to develop a marketing campaign to promote and advertise their product. To do this the students had to take into consideration their prospective customer needs and wants, methods of persuasion, advertising techniques, and positioning of brochures/posters.

At the 2014 Year 6 Market Day there will be a range of stalls for the students of Mount Martha Primary School to visit. These include:

<table>
<thead>
<tr>
<th>Sausage Sizzle</th>
<th>Spinning Wheel</th>
</tr>
</thead>
<tbody>
<tr>
<td>Popcorn</td>
<td>Cakes and Pastries</td>
</tr>
<tr>
<td>Billy Cart rides</td>
<td>Slushie Drinks</td>
</tr>
<tr>
<td>Giant Sling shot</td>
<td>Lollies &amp; Sweets</td>
</tr>
<tr>
<td>Raffle</td>
<td>Competitions</td>
</tr>
</tbody>
</table>

The students in Year 6 have worked extremely hard learning many new skills and extending their knowledge over the past 8 weeks. They hope everyone will enjoy and support the Market Day next week in raising funds for The Pink Lady Foundation, Year 6 Graduation and a building/grounds project in our school.

Before and After School Student Supervision

Teachers supervise students in the school grounds between 8.45 – 9.00am and 3.30 – 3.45pm.

Students waiting after school to be collected should wait in the school ground or on the seats along the school fence between Gates 2 and 3 on Glenisla Drive. If the children are not collected by 3.45pm the teacher supervising the crossing will request the children to wait in the administration foyer until they are collected.
