BANKSIA BULLETIN - Thursday 11th May 2023

Mt Martha Primary School strives to empower students to be active learners who make a positive impact in a changing world.

PRINCIPAL'S REPORT

Mother's Day Stall - A huge thank you to our SEC members and helpers for organising and running the Mother's Day Stall on Tuesday. We had so many excited students taking time to choose that special gift from the wide range on offer! Thanks again for the amazing job you have done. The excitement on the faces of the students as they choose a treasured gift for a special person in their lives is priceless. Wishing all a lovely Mother's Day with your families.

2023 Annual Implementation Plan is on the Mount Martha Primary School website <https://www.mtmarthaps.vic.edu.au> under the "Information" tab. Each four years schools undergo a school review from an external reviewer and panel including school staff, parents, students, the school's Senior Educational Improvement Leader and Principals from two other schools. The review assists in the writing of the school's four-year Strategic Plan, which includes the school's goals focusing on areas of improvement. Each year the school writes an Annual Implementation Plan to work towards achieving the goals and targets of the Strategic Plan. The plan provides information on the school's areas of focus for the 2023 school year.

Year 4 Camp - Our Year 4's students are at Arrabri Lodge Camp in Warburton and will return tomorrow. Thank you to staff and parent helpers for attending. We are sure they will have many exciting stories to tell about their adventures and experiences over the weekend.

Cheese Toastie Day - Our fabulous SEC team are planning a Cheese Toastie Day and PJ Day for the first day of winter. More information in this addition of the Banksia Bulletin.

Book Fair - Students will have the opportunity to come and browse through the books and items that will be available to purchase at the Book Fair (Monday 29th to Wednesday 31st May). The school receive a percentage of the sales and we can use this credit to purchase lots of fantastic books to add to our library's collection.

Continued

Our Mission is to ensure high quality and engaging learning program that builds on the capability of every student.

The Mount Martha Primary School community acknowledges & pays respect to the Boon Wurrung/Bunurong people of the Kulin nation, the traditional custodians of these lands & waters.

PRINCIPAL'S REPORT continued

Uniform - As winter approaches, we have been reminding some students about the school uniform policy. Hooded windcheaters from netball and football club are not to be worn at school. We appreciate parents reinforcing this with their children at home. Thank you.

Student Attitudes to School Survey - Each year the Department of Education collects data from the Parent Opinion Survey, Staff Survey and Student Attitude to School Survey. Schools use this data to reflect on their current practise's, areas of strength and areas for improvement. The Student Attitude to School Survey will be conducted with Year 4 - 6 students from Monday 22nd May - Monday 5th June. We value student voice when improving student engagement, wellbeing and quality instruction and are conducting a survey to find out what students thinks of the school. Further information about student participation will be sent to parents of students in Years 4 - 6 in a Compass post today.

Prep 2024 Enrolment - Last night was our Prep Parent Information Evening, 2024 Prep Enrolment Week is Monday 15th May to Friday 19th May with school tours on Tuesday 16th, Wednesday 17th and Thursday 18th May starting at 9.30am. Warm Regards

SPORTS NEWS

WHOLE SCHOOL HOUSE CROSS COUNTRY

With the track marked out, bunting up and the weather on our side; this was going to make for an exciting day. What a way to bring our whole school community together.

We started with our Prep students running 1km and some very fast and excited students running past parents, officials and teachers. The whole day saw some very memorable moments and some very exhausted competitors crossing the finish line. Students showed persistence and were able to complete the required km for their race.

A HUGE Thank you to the Sports Leaders (**Henry, Isla, Harvey, Tao, Billie, Connor, Tully, Georgia & Juddie**) who not only ran in their 3km race but also ran as 'hares' for every other race. It was a huge ask of them all and they did it with enthusiasm, enjoyment and pride. Also **Erin & Immy** for assisting with the recording table and collating all the results after each race and **Bryce** for being an addition to finish line and flexible to help where needed.

Every race saw points awarded to their house with the final result of our winning house of our Whole School Cross Country to be announced at Assembly.....who will it be????

SPORTS NEWS

Victorian Interschool Mountain Bike Challenge

This year Mt Martha PS has been offered the chance to enter the Interschool Mountain Bike Challenge at Dromana Secondary College, **18th June**. This is a great chance for those students keen on mountain bike riding to take part in such an event. The course will take riders through a combination of paved pathways between the school buildings, through parkland and around the sports oval.

It is suggested that students in Years 5 and 6 can enter this event but also understand that there is a level of riding ability needed. Dromana Secondary is open to the public on the weekends for those wishing to check it out.

AusCycling has registered Mountain Biking with School Sports Victoria, however students will need to enter individually for this event using the Entryboss entry system.

For Round 1 at Dromana, entries are not yet open but will be soon. more information can be found here: <https://auscycling.org.au/page/mountain-bike-schools-stateterritory-series>

Enrolling in primary school for 2024

Starting school is an exciting time for children, parents and carers. We want to help make the enrolment process as easy as possible for you.

In Victoria, your child has the right to attend their designated neighbourhood school (your 'local school') under the *Education and Training Reform Act 2006*.

You can also apply for a place at a school that is not your local school. The school will consider your application in line with the Placement Policy. For more information on the Placement Policy, visit the [Enrolling in school](#) page.

New statewide timeline for Foundation (Prep)

The first year of primary school is called Foundation or Prep. We have released a new Foundation enrolment timeline for all Victorian government primary schools to follow (see page 3). The timeline aims to help you understand when and how to enrol your child into Foundation for the 2024 school year.

When should I enrol my child in their first year of primary school?

Your child must be 5 years old by 30 April in the year that they start school.

Schooling is compulsory for children who have turned 6 years old.

To enrol your child in a Victorian government primary school for the 2024 school year, submit an enrolment application to the school by 28 July 2023.

How do I enrol my child in their first year of primary school?

Take these steps to enrol your child in their first year of primary school:

1. Find your local school on the Find my School website (see below).
2. Contact a government primary school to book a school tour or to learn more about the school and the enrolment application process.
3. Download the Foundation (Prep) enrolment information pack from [Enrolling in Foundation \(Prep\)](#) (available from 24 April 2023).
4. Submit an enrolment application for Foundation **by Friday 28 July 2023**.
5. You will be notified of the outcome of your application **by Friday 11 August 2023**. If you receive an offer of placement, you should accept the offer **by Friday 25 August 2023**.
6. Take part in enrolment information and transition sessions **during Term 4 2023**.
7. Your child will start Foundation **from Tuesday 30 January 2024**.

How do I find my local school?

Find your local school on the Find my School website by following the steps below:

1. Enter findmyschool.vic.gov.au into your browser.
2. Enter your permanent residential address under 'Enter your address to get started'.
3. Select 2024 under 'Enrolment year'. **Note:** 2024 school zones will be available late Term 1, 2023.
4. Select Primary under 'School type'.

The map will then show your address, your local school, and on the left the contact details for the school. If you scroll down, it will also show you the five closest schools to your address.

You can also search by school name under 'Search for school'.

Can my child apply to a government primary school that is not our local school?

Yes, you can apply to schools other than your local school. The school will consider your application in line with the Placement Policy and available space. You can find information on how applications are prioritised on the [Enrolling in school](#) page.

What happens if I receive a letter saying my enrolment application was unsuccessful?

You should apply to enrol your child in another school. Your child is guaranteed a place at their local school. Your child's local school is determined on the basis of their permanent residential address. Visit [Find my School](#) to locate your child's local school. The [Enrolling in school](#) page can also help you to confirm your child's address for enrolment.

You can also appeal the decision. The [Enrolling in Foundation \(Prep\)](#) page has information on the process to appeal an enrolment application outcome.

What happens if I miss the enrolment timeframes?

You can apply to enrol your child into Foundation for the 2024 school year at any time from Term 2, 2023.

While you are asked to submit an enrolment application by Friday 28 July 2023, applications after this date will still be accepted from those families who miss enrolment timelines, move permanent residence or newly arrive to Victoria.

Enrolment applications submitted after 28 July 2023 will be processed by the school as they are received, in accordance with the department's Placement Policy.

Where can I find further information on enrolling in primary school?

You can ask your local primary school for further information on the Foundation enrolment process.

At the start of Term 2, 2023 you can also find an information pack on the Foundation enrolment process on the [Enrolling in Foundation \(Prep\)](#) page of the Starting School webpage.

If you require help translating the information pack, please talk to your local primary school for assistance.

Who do I contact for help?

The Transition Coordinator, Enrolment Officer or Principal of the primary school you want to apply to can help you with any questions you may have about the enrolment process.
