**Gold For Green** - Next **Wednesday 19<sup>th</sup> May** is Gold For Green Day where we aim to involve our students in gardening in the school and other environmentally focussed activities which assist to build their knowledge of the environment and also improve our grounds. Students are not required at school except for the time arranged for them to present their learning. Please note that Out of School Hours Care is providing an option for a program on this day. Please see flyer later in this bulletin. Opening and closing dates for bookings will be provided in the near future. Conference booking times will also be released in the near future using Compass.

**NAPLAN** - Students in Years' 3 and 5 have been participating in the NAPLAN tests Tuesday, Wednesday and Thursday this week. Results are used with our other assessments of student learning and will be available later in the year.

**Year 4 Camp** - Our Year 4's have been attending Arrabri Lodge Camp at Warburton for Wednesday, Thursday and Friday this week. They are enjoying a wide range of challenging outdoor activities and will also ride on Puffing Billy. Thank you to staff and helpers for attending.

# THANK YOU

To our generous community businesses for contributing to our Mother's Day Raffle by donating such wonderful prizes. We had a very successful Mother's Day Raffle & Stall, raising over \$3000 for the school! As always, the best part was seeing the kids enjoying both shopping at the stall and helping to sell raffle tickets.

Thanks everyone for your support!

## Body Education with Kelly Nash

### Parent Information Session Tuesday 18<sup>th</sup> May 7pm in Year Six Classroom

After many years working in schools as a teacher and in health promotion, including 3 years with the Royal Women's Hospital health promotion unit and 7 years with Family Life Victoria, Kelly started her own body/sexuality education business. Kelly's aim is to create a relaxed and inclusive environment where her unique and fun facilitation style allows informal, respectful learning to young people so that they may be empowered with knowledge and understanding about their bodies, her greatest hope is that she is able to support the children's families in this important part of their education.

#### **Parent/Carer Information Session**

In Victoria, it is compulsory for government schools to provide Sexuality Education within the Health and Physical Education domain. The Education Department acknowledges that a comprehensive Sexuality Program that provides consistent, age appropriate and accurate information that is inclusive and respectful, is a vital part of a student's overall education.

The Parent/Carer information session is an opportunity to find out about how the school program will run and how families can assist with homework tasks. In the session we'll briefly discuss how children learn about sexuality and why sexuality education is so important both at home and in the school setting. The content that will be covered at each of the different year levels will be outlined and there will be opportunities to ask questions and address concerns.

Kelly uses the document *Catching on Early* as a guide for age appropriate content. Use the link below for more information

<https://www.education.vic.gov.au/school/teachers/teachingresources/discipline/physed/pages/about.aspx>

### Year 5 & 6 Puberty Sessions Outline

#### **The Common Physical Changes of Puberty**

\*Introduction and ground rules for sessions – to ensure everyone is feeling as safe and as comfortable as they can, given that some of the content will be sensitive.

\*The Who, What, When and Why of Puberty (including the Pituitary Gland and Hormones).

\*Body Parts for males and females are drawn and described.

\*The 7 Common Changes of Puberty (common to both males and females). Pimples, Hair, Shape Change, Growth Spurt, Voice Change, Body Odour and Mood Swings. Group discussion on these changes and how to manage them.

#### **The Gender Specific and Social/Emotional Changes of Puberty**

\*Changes that happen only to males as part of becoming reproductively mature – Including Sperm Production, Wet Dreams and Random Erections – explained and discussed.

\*Changes that happen only to females as part of becoming reproductively mature – Periods and period management are explained and discussed.

**Reproduction, Pregnancy and Birth**

\*Myths about how babies start – a fun way to start this discussion.

\*What is needed to start a baby? Referencing reproductive cells – sperm and egg, sexual intercourse is explained as the most common way a baby starts and assisted reproduction is also acknowledged. The “Rules of Sex” are discussed as being based on the law and are there to keep us safe – for students of this age the Rules of Sex are:

1. Sex is for Adults (the legal definition of adults is explored further in secondary school)
2. It must be a Choice
3. Privacy (Private to those people and also done in a private place)

The Rules of Sex are a great way to introduce the notion of respectful relationships – although not a great deal of time is spent on this area - but great if families can discuss this further at home.

\*Conception, Foetal Development and Birth - Pictures of Foetal development are shown and a doll is used to explain how a natural birth happens. Caesarean sections explained.

\*Discussion of where to go to get more information regarding the content we have discussed over the sessions. The role of trusted adults is reinforced as an important source of information and place for students to go to for guidance regarding their values around sexuality issues as well as for emotional support.

## SCHOLASTIC BOOK FAIR NEWS

**SCHOLASTIC BOOK FAIR - May, Wednesday 19th - Friday 21st** Mt Martha Primary School is hosting a Book Fair. This special event celebrates books and reading and gives children, parents, teachers and community members the opportunity to purchase quality books. The fair will be set up in the Staff Centre and will be visited by each class at their allocated time on Monday and Tuesday during school hours.

From Wednesday we encourage you to drop in and take a look at what's on offer during the following times:

**Wednesday 19th 8.15 - 9.30am and 3 - 4pm**

**Thursday 20th 8.15 - 9.30am and 3 - 4pm**

**Friday 21st 8.15 - 9.30am only**  
**(there is no afternoon session)**

A percentage of the proceeds from the sales of these books directly contributes to raising funds for the school to purchase many more valuable resources for our children's literacy pleasure. This is a great opportunity to have a leisurely browse at some of the great books available.

**COVID-19 Mask Update** - Following the easing of restrictions, at school face masks are now recommended, but not mandatory, for use by staff, students and visitors when physical distancing of 1.5 metres cannot be maintained. People aged 12 years and over must carry a face mask unless they have a lawful exemption. Masks are still required in limited indoor settings, such as public transport, commercial passenger vehicles and large retail settings. Thank you for your assistance.

We thank you once again for supporting our Book Fair.
