## BANKSIA BULLETIN - December 6 2018.

*Mt Martha Primary School strives to empower students to be active learners who make a positive impact in a changing world.*

### PRINCIPAL'S REPORT

**Parents and Community Volunteers Morning Tea** -The support we have received during 2018 from parent and community volunteers in our school programs has been fantastic! Our programs simply would not be the same without the generous support we receive from our wonderful volunteers. They plan, organise and help at School Council and SEC events, assist in classrooms, help with special events such as camps, excursions and incursions and on sporting and theme days to name just a few.

As a small gesture of our appreciation we are holding a special helpers morning tea next Friday 14th December at 11.00 a.m. in the staff centre. All volunteers are welcome. Please see the invitation included in this newsletter.

**School and Student Acknowledgements** - Our assembly last week had a terrific feel with recognition of some outstanding achievements. Sophia in Year 6 was awarded a prize for winning the local division of the Lions Club International Peace Poster Competition. Other participants were also acknowledged. Some very thoughtful entries. Well Done! As a major prize winner of the shire's Walk to School Month, a whole school aerobics session was held at the end of assembly and "Bike and Blend" smoothies for every student were provided. The school was also acknowledged as the "I Sea I Care" Mornington Peninsula "School of the Year" for 2018. Congratulations to all involved!

**2019 Instrumental Music** - The instrumental music program is a feature of our school and we are very fortunate to be able to offer this tuition and develop our student's music skills and interests. The students' performances at assemblies during the year and at end of year concerts are always very entertaining. If you are interested in having your child participate in 2019 please collect an enrolment form from the school office.

**Lions Club Raffle Tickets** - A reminder that Lions Club Raffle tickets are due back tomorrow Friday 7<sup>th</sup> December.

**Library Books and Take Home Readers** - All library books and take home reading material should be returned to the classroom or library. We have a terrific collection of books that need to be maintained for use by our current and future students. Thank you for your help.

**Lunch Orders** - Monday 17<sup>th</sup> December is the last lunch order day for 2018. Bakery Made, the company that supply lunch orders for our students, will not be providing their usual service on the last day of school Friday 21<sup>st</sup> December.

**Lost Property** - A reminder to please check our Lost Property section near the Art Room before the end of the year. Thank you.

**Uniform Shop** - The final "on site" selling day for the uniform shop is 3pm to 4pm on Thursday 13<sup>th</sup> December. PSW, our uniform supplier, is moving to a new shop at 1/22 Watt Road, Mornington. The new shop will be open from Wednesday 9<sup>th</sup> January.

**Final Assembly for 2018** - Our final assembly will be held on **Thursday 20<sup>th</sup> December at 9.10 am** in the gymnasium. We hope to see many of our school community attend the farewell assembly for the 2018 school year. School finishes for 2018 on **Friday 21<sup>st</sup> December with a 1.30pm dismissal time.**

**Start of School 2019** - A reminder that students in Year 1 to Year 6 commence school for 2019 on **Thursday 31<sup>st</sup> January.** 2019 Prep students will have interviews scheduled this week and the next Monday and start in their classes on Tuesday 5<sup>th</sup> February.

Kind regards, Martin Page, Principal.

Our Mission is to ensure high quality and engaging learning program that builds on the capability of every student.

## LUNCH ORDER REMINDER

A friendly reminder BakeryMade management have extended our Lunch order system to 2 days a week. So parents/carers can now order a lunch order on either Mondays or Fridays if they wish.

**Please note there will be no lunch orders on Friday 21 December the last day of the school year.**

The only method for ordering school lunches for your child/ren from BakeryMade is to download the app from the iTunes store or google play – just search for the BakeryMade (all one word) app. Download and install the app and then open it and register as a customer. There are a number of steps to follow. It is important that you provide your home address for billing and not the school address.

No cash is required using this system. Orders are placed, preferably the night before or earlier, but no later than 8am on the day the lunch is to be delivered.

Once the app is open parents will be able to view the sub menus ie. Sandwiches, hot food selections, snacks, pies & pasties, muffins & slices and Gluten free options.

The food will be delivered by Jon from BakeryMade at approximately 12.50 on Monday and Friday and then distributed to the classrooms. Please refer to the updated menu at the end of this bulletin.

Thank you

## AMBASSADORS REPORT

### 'i sea i care' Ambassadors Report

The 'i sea i care' ambassadors, attended their final workshop for the year in November. The workshop was at Warringine Park, Crib Point where we learnt different ways our environment can be protected. We were shown traps used to catch feral animals and pests that kill our native wildlife. We also learnt about how important frogs are. They survive in land and freshwater habitats. They also have highly permeable skin that can easily absorb bacteria, chemicals and other toxins. These traits make them susceptible to changes in the environment and they are great indicators of their environment's health.

Afterwards we had a talk about our local indigenous culture. This included information about bush tucker and medicine as well as the different hunting tools and how they were used. Did you know that the fruits, seeds and tubers of many native plants are rich in vitamins, minerals and proteins; today there is increasing interest in the use of native plants for food.

We also learnt about the weeds found in the area and helped to remove these. Weeds taking over an area are a serious threat to both land and aquatic environments. Weeds compete with native plants for space, nutrients and sunlight. They also affect the function native species have in providing nutrients and habitat for other species.

We would like to remind you about our project for the year has been to encourage you to reduce the amount of plastic you use. This includes plastic bags, plastic wrapping and straws. Unfortunately many of these items end up in the bay and are harmful to the marine life. If you do use any of these items please make sure you dispose of them correctly. Many local supermarkets have recycle bins that collect soft plastic like glad wrap and plastic bags. These are then used to make new items. Remember you can always say no when you are offered a straw with your drink.

Thanks you for all of your support this year and we would like wish next years ambassadors good luck.

**Jackson, Lola, Lucas and Thalia**

**Congratulations** to Jackson, Lucas, Lola and Thalia. They were awarded Mornington Peninsula 'School of the Year' from the Dolphin Research Institute. This was in recognition of the great work they have done throughout the year, which included attending workshops, peer teaching, sharing information at assembly and in the newsletter. The main message the ambassadors wanted to share with the school community was the importance of reducing the plastic (particularly bags and straws) that find there way into the bay.

**Donna Gadsby, 'i sea, i care' Coordinator.**

## WESTALL/MOUNT MARTHA PEN PAL PROGRAM

So last Friday was the big day when 5A,5D and 5E got to meet their pen pals and other students from Westall Primary. This was originally planned as part of our Inquiry unit on Multicultural Australia in Term 1, so it was a while ago that we wrote our letters and received the eagerly awaited replies.

The day was a huge success ...a lot of that success due to the hard work that went into it's planning by Mrs. Spiridis but also because of the fantastic support we had from parents (we could not have done it without you!). Of course the success of the day was also due to the children themselves. Everyone got along and enjoyed swapping stories and playing games. Some of the children in 5A chose to write to their buddies to thank them for coming. Here are some extracts from their letters.

*"...when we met face to face it was amazing. When I saw you, you didn't come over, so I straight away knew that you were shy. I wanted to come over but I felt a bit shy too. But when we met up it turned out to be a great experience."* Jemma

*"When I first met you I was SO excited! I loved the volley ball mini game we played and I liked getting to know you."* Mia

*"I hope you had an amazing day coming down to Mount Martha and having fun on the beach and running on the sand. I had a brilliant day playing basketball and eating sausages on the oval. I enjoyed showing you around the school."* Xavier

*"The sausage sizzle was really fun with you there. You are really nice and funny. I enjoyed learning about your life, it was really interesting."* Lola

*"I hope everyone had a great time and hopefully you will come back!"* Sam

*"Thankyou so much for coming down to the beach. I enjoyed it a lot. I hope you did too. My favourite bit about it was talking about our families and favourite things. I hope I get to see you again because you don't know how much fun I had and I wish we could spend more time together!"* Lilly

*"...overall, I had probably one of the best days of the term with you and the other girls. Thank you so, so much!!!"* Lily

### A thank you from Westall.

I wanted to say a big thank you for making Friday happen. What a fantastic example of real life learning that our students experienced and I know it had such a positive impact on everyone involved.

A day like this was such a collective effort and I thank you for your willingness and enthusiasm to be involved. When we first talked about the pen pal program, I wasn't sure the student's reaction. They wholeheartedly endorsed it saying what a unique opportunity to get to know people who they would not normally meet.

Before our visit the students were nervous but you all made them so welcome and those experiences and connections are precious.

When we look at our students we're looking at the future and Friday fills me with optimism.

Thanks again from the 5/6 team at Westall.

## SCHOOL EVENTS COMMITTEE (SEC)

The countdown begins to the end of what has been of an eventful year at MMPS. It has been a great year working with an amazing SEC committee and many many parents to provide some fun events for our kids and parents.

We still have one more event – Carnivale – being held on Saturday 23<sup>rd</sup> March next year. Sub committees are busy planning for this day and we are still always looking not only for helpers on the day but some people to help us put it all together.

There has been detail of the subcommittees posted in the past 2 BB so if you believe you can help us in anyway please let us know via the contact detail below.

### Final Carnivale Meeting for 2018

There will be one more meeting scheduled to touch base with our progress.  
This date is to be confirmed and will be posted on the SEC Notice Board

 Mt Martha P.S. Social Noticeboard

We would love to see you there. Stay tuned.
