BANKSIA BULLETIN - 28 March 2019

Mt Martha Primary School strives to empower students to be active learners who make a positive impact in a changing world.

PRINCIPAL'S REPORT

Carnivale - The Carnivale' was a fantastic success! There was a real sense of community and carnivale' atmosphere at the school and everyone was having a terrific time. It was amazing to see the transformation from school to Carnivale' site and those many, many hours of organisation come together! Even the weather brightened up after a rainy start!

A huge "Thank You" to all those parents, grandparents, students, teachers, Office and support staff and friends of the school who gave their time to assist before the event, helped run stalls and events, helped set up and pack up, baked items for the cake stall, performed on the stage and gave up time to assist with those many jobs to be done to make this event a success. Once again an awesome effort!

Another huge "Thank You" to the very generous local businesses and organisations who donated their time and goods and prizes for Carnivale' and the raffle. Our consideration and support for them in the future is always appreciated when they have supported our school.

Finally, extra special thanks to the SEC organising committee who spent many hours sharing ideas, planning all aspects of the event, seeking donations, organising the raffle, sourcing rides and food providers, organising printing and marketing and doing those thousand other jobs to ensure the event was a success! Your eye for detail, commitment and time are greatly appreciated and the Carnivale' would not have come together so brilliantly without your outstanding team effort! Thank you!

Year 6 Camp - Our Year 6 had a terrific time on the Urban Camp on Monday, Tuesday and Wednesday this week. They enjoyed activities and experiences in the CBD that were certainly different from their usual environment in Mount Martha! Thank you parents and staff for attending and helping to make the camp so successful.

Uniform Swap Boxes - Our uniform swap boxes are located in the foyer of the gymnasium and provide an excellent source of good quality second hand uniform. It works on a swap basis with no money changing hands and assists in clothes recycling. Have a look through but please keep the boxes neat to assist other parents who also will be looking. Well worth considering for your child's uniform requirements.

Hats - A reminder that hats are required to be worn until the end of April ie early Term 2, as part of the Sun Smart policy. Again thanks for the assistance with this.

End of Term One - Please remember that Friday 5th April is the last day of Term One. An earlier dismissal time of 2.30pm will apply. We will be having a whole school "end of term" assembly on the Friday commencing at 9.10am. Term 2 commences on Tuesday 23rd April with the 22nd April being the Easter Monday public holiday.

Kind regards

Martin Page

SRC FUNDRAISER FOR BERG

On behalf of the SRC, we would like to say a big thank you to the Mount Martha school community for supporting our first fundraiser for 2019. We are very pleased to report that we raised \$985.10 for the Balcombe Estuary Reserves Group. It was lovely to have Liz Barraclough and Jenny Selby from BERG join us for the occasion. The sun was shining and our Year 6 leaders did a fabulous job of cooking the BBQ. Thank you to everyone who offered a helping hand on the day to make the sausage sizzle a success. If your family would like to become a part of this important local environmental group, please log on to www.berg.org.au for membership information. **SRC**

SEC NOTICEBOARD

A little bit of rain got our hearts racing for a day that had been anticipated for months! Luckily the sun came through at 11am and made for a magnificent day full of fun, entertainment and community spirit. Thank you to all of our amazing volunteers and to all those that attended.

LEGO COMPETITION

A HUGE CONGRATULATIONS to all of the Lego winners for an outstanding effort for the schools first ever Lego Competition, we had over 165 entries!

The Lego Masters gave a special mention to the Year 4 category who produced some of the best creations they have seen. Well done Year 4! Darren Callesen (our Lego Master Judge) told us that the winners taking out the gongs were the builds that were original, told a story, made good use of parts and a simple colour palette. A key point was not to overcrowd your build.

Great tips for your next Lego competition from the Masters themselves! Well done to

Free Dental Check-Ups

Dear Parents and Guardians,

Peninsula Health Community Dental Program is offering all students a **free** dental check up at school during school hours. Program staff will be here on Thursday 30 and Friday 31 May to conduct the dental checks.

The check-up will take 5 – 10 minutes and students will be given a dental report to take home.

If your child has had a recent dental check-up they are still able to take part in this program.

Attached is a consent form to be filled in, signed and returned to school by Friday 5 April (last day of Term 1). You only need to complete the Consent Form if you are interested in utilising this free service. There are some consent forms available at the office if you have difficulty printing a copy.
