BANKSIA BULLETIN - Thursday 16th February 2023

Mt Martha Primary School strives to empower students to be active learners who make a positive impact in a changing world.

PRINCIPAL'S REPORT

After School Welcome Picnic - Next Thursday 23rd February - Our SEC (Social Events Committee - PTA) with the support of our Year Six SEC Leaders are holding a picnic. The students have been busy organising games for this fun afternoon. They will also have a sausage sizzle and Zooper Doopers for sale. Please bring some snacks and enjoy getting to know others in our community. Further details are in this weeks Banksia Bulletin.

Annual privacy reminder for our school community - Our school collects, uses, discloses, and stores student and parent personal information for standard school functions or when permitted by law, as stated in the Schools' Privacy Policy. Please take time to read our school's collection notice and Privacy Policy found on our website [MMPS Website Policy Page](#). We ask parents at the beginning of each year to sign an ICT agreement with their child. Last week permission forms were sent in a Compass post to parents of students in Years Prep-Four for the use of Seesaw. For more information about privacy, refer to: [Schools' Privacy Policy — information for parents](#)

School Council Election 2023 - As mentioned in last week's newsletter, there are three parent vacancies from March 2023 - 2025 and the capacity for the co-option of three community members. We also have two vacancies for a school employee from March 2023 - 2025 and two casual vacancies from March 2023 - 2024. Nominations close on **Monday 20th February at 4pm** and forms are available from the school office. An election will be conducted should the number of nominations exceed the number of vacancies. You can contact me at the school if you have any queries. A School Council Fact Sheet is contained in this newsletter again this week.

Whole of School Photos - School photos will be taken on **Thursday 16th March**. Further information is contained in this addition of the Banksia Bulletin on how to order photos. If parents wish to order a 'family photo', which means having siblings combined, they need to be pre-ordered by **4.30pm on Wednesday 15th March**.

Swimming Sports - Our school Swimming Sports are being held today for Years Three and Four and on Friday 17th February for Years Five and Six. The sports are held at Mornington Secondary College. We always see some excellent personal efforts, and high levels of participation, sportsmanship, and encouragement. Mr Sweatman always does a terrific job organising the sports and staff, parents, grandparents, and student leaders provide valuable assistance to ensure a smoothly run and enjoyable event. Good Luck and have a great day!

Meet The Teacher - It was great to see so many parents of students taking the opportunity to share information with the teachers at the Meet the Teacher evening on Tuesday and Wednesday. Establishing new relationships with class teachers and open lines of communication is important in the learning partnership we enjoy with students, parents, teachers, and other school staff.

Continued

Our Mission is to ensure high quality and engaging learning program that builds on the capability of every student.

In the first two weeks we had students from Years Three- Six participate in our Beach Program, Year Three History Walk in Mornington on Tuesday, the Year Four Hip Hop Dance program starting Friday and last week the Years Three-Four students began working with Bruce Grantford on the film festival. Next week our Year One students have their South Beach walk.

Fact sheet 1: school council elections – information for parents

What is a school council and what does it do?

All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the broad direction of a school, in accordance with Ministerial Order 1280 Constitution of Government School Councils, and the Education and Training Reform Act 2006. In doing this, a school council may directly influence the quality of education for students.

Who is on the school council?

For most primary school councils, there are several possible categories of membership:

A mandated elected parent member category – more than one-third of the total members must be from this category. Department employees can be parent members at their child's school providing that they are not engaged in work at the school.

A mandated elected school employee member category – members of this category make up no more than one-third of membership. The principal of the school is automatically one of these members.

An optional community member category – members are co-opted by a decision of the council because of their special skills, interests or experience. Department employees are not eligible to be community members.

A small number of school councils have **nominee members**.

For all schools with a Year 7 and above cohort, there is an additional category of membership:

A mandated elected student member category, two positions.

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

Why is parent membership so important?

Parents on school councils provide important viewpoints and have valuable skills and a range of experiences and knowledge that can help inform and shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying and may also find that their children feel a greater sense of belonging.

Do I need special experience to be on school council?

Each member brings their own valuable skills and knowledge to the role, however, in order to successfully perform their duties, councillors may need to gain some new skills and knowledge.

It is important to have an interest in your child's school and the desire to work in partnership with others to help shape the school's future.

Code of conduct for school councillors

School councils in Victoria are public entities as defined by the *Public Administration Act 2004*.

School councillors must comply with the Code of Conduct for Directors of Victorian Public Entities issued by the Victorian Public Sector Commission. The Code of Conduct is based on the Victorian public sector values and requires councillors to:

act with honesty and integrity – be truthful, open and clear about their motives and declare any real, potential or perceived conflict of interest and duty

act in good faith in the best interests of the school – work cooperatively with other councillors and the school community, be reasonable, and make all decisions with the best interests of students foremost in their minds

act fairly and impartially – consider all relevant facts of an issue before making a decision, seek to have a balanced view, never give special treatment to a person or group and never act from self-interest

use information appropriately – respect confidentiality and use information for the purpose for which it was made available

exercise due care, diligence and skill – accept responsibility for decisions and do what is best for the school

use the position appropriately – not use the position as a councillor to gain an advantage

act in a financially responsible manner – observe all the above principles when making financial decisions

comply with relevant legislation and policies – know what legislation and policies are relevant for which decisions and obey the law

demonstrate leadership and stewardship – set a good example, encourage a culture of accountability, manage risks effectively, exercise care and responsibility to keep the school strong and sustainable.

Indemnity for school council members

School councillors are indemnified against any liability in respect of any loss or damage suffered by the council or any other person in respect of anything necessarily or reasonably done, or omitted to be done by the councillor in good faith in:

the exercise of a power or the performance of a function of a councillor, or

the reasonable belief that the act or omission was in the exercise of a power or the performance of a function of a council.

In other words, school councillors are not legally liable for any loss or damage suffered by council or others as a result of reasonable actions taken in good faith.

How can you become involved?

By participating in, and voting in the school council elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might consider:

standing for election as a member of the school council

encouraging another person to stand for election.

What do you need to do to stand for election?

The principal will issue a Notice of Election and Call for nominations in Term 1 of each year. Council elections must be completed by 31 March, unless varied by the Minister for Education.

If you stand for election, you can arrange for someone to nominate you as a candidate or, you can nominate yourself in the parent member category. You can only be nominated by another member of the same electorate that you are eligible for (e.g. a member of the parent electorate may only nominate another parent of that electorate)

Department employees with a child enrolled at a school where they are not engaged in work, are eligible to nominate for parent membership at that school.

Return your completed nomination form to the principal within the time stated on the Notice of Election. You will receive a Nomination Form Receipt via post, email or by hand delivery.

Generally, if there are more nominations than vacancies a ballot will be conducted in the two weeks after the call for nominations has closed.

Remember

Consider standing for election to school council.

Ask the principal for instructions if you are not sure what to do.

Be sure to vote if the election goes to ballot.

Contact the principal if you are unsure about what is required at any stage of the election process.

COMPASS NEWS - HOW TO ADD AN ATTENDANCE NOTE

Absences

If your child is absent parents are required to notify the school. Our preferred method for notifying the school if your child/ren is absent is via the Compass parent portal. Parents can also send a note when their child returns. The Department of Education requires a reason to be recorded for all absences.

Parents are requested to notify the school of their child's absences prior to 10.15am. If you have not reported the absence to the school by 10.15am an SMS and/or email will be sent to inform you that your child is not at school today. Once a week an Unexplained Attendance Letter is emailed to parents if there are any outstanding Unexplained Absences recorded against their child. Please see below instructions on how to add an attendance note. Thank you for your assistance.

Warm regards

Gina McMartin

Safer Internet Day 2023

Tuesday 7th February was **Safer Internet Day** and we discussed Internet safety at school. Students were reminded of our school acceptable Internet use agreement, which was signed by families via Compass for this year. The internet agreements have also been posted on class blogs. Classes have all done a lesson about staying safe on the Internet and this will be followed up with more discussion during Specialist Digital Technology sessions this term.

Thanks to our fabulous Year 6 Digitech Leaders for helping to share the following internet safety messages with our school community.

Tell your parents or a trusted adult if you see something online that upsets you.

Hide your password. Only share it with your parents.

Interesting websites can be fun. Check with a trusted adult if a site is okay to use before visiting.

Name calling or being mean is not cool and could be cyberbullying.

Keep your special personal information safe. Don't share it online.

There are many excellent resources and games for students of all ages and also informative parent information about Cyber safety available on the [iParent page of the Office of eSafety Commissioner](#) website. They offer regular free parent webinars. If you are interested in registering for a parent webinar [click here](#) to find out more.
