BANKSIA BULLETIN - September 20, 2018.

Mt Martha Primary School strives to empower students to be active learners who make a positive impact in a changing world.

PRINCIPAL'S REPORT

End of Term - Term Three finishes tomorrow with an assembly at 9.10am and a 2.30pm dismissal time. Please note the early pick up time. Congratulations to all our students for another fantastic term! Thank you staff and families for your assistance in what has been a very busy term with camps, excursions, incursions, sporting events and classroom activities providing engaging and powerful learning opportunities. Thank you also our SEC and helpers for the many events you have run for the school community this term. These really add value to our students' experiences at school and opportunities to build our community. A great effort!

Footy Day - What a fabulous day we all had yesterday! Congratulations to all the students who participated in the colours of so many varied sporting teams. Thank you so much, again, to our hard working SEC and our helpers on the day for successfully organising lunch! Such an enormous job! Also huge thanks to Cameron Sweatman and staff for your organisation to ensure the success of the day.

Year 6 Market - Congratulations also to our Year 6 students for their fantastic work planning and running the Year 6 Market last Friday. The market bought a real life experience to their unit on business and economics as well as important skills in working with teams and with the community. Once again thank you parents, family members and staff for your assistance and support.

Works over the Holidays - Holidays always provide us with an opportunity to improve our school facilities and catch up on our maintenance. This holiday is very exciting as we commence the installation of solar panels. These will generate electricity to offset our power usage during a school day and pump back into the grid after hours, weekends and during holidays. We also will be renewing some of our retaining walls. Visitors to the school over the holidays can expect to see a variety of workers around.

Lost Property - A final request this term to visit the Lost Property area near the Art Room. We still have many items waiting to be claimed. Thanks.

Emergency Contact - In the event of an emergency concerning the school during the school vacation or out of school hours please contact the Department of Education Emergency and Security Management on 9589 6266. They will in turn contact the appropriate staff. Thank you.

Our new school term starts on Monday 8th October. Have a safe, enjoyable and restful holiday!

Kind regards

Martin Page
Principal

Our Mission is to ensure high quality and engaging learning program that builds on the capability of every student.

LUNCH ORDER NEWS

Starting on the second Monday of Term 4 (October 15) BakeryMade management have indicated that they are willing to extend our Lunch order system to 2 days a week. So, commencing on Monday 15 October parents/carers can now order a lunch order on either Mondays or Fridays if they wish.

The only method for ordering school lunches for your child/ren from BakeryMade is to download the app from the iTunes store or google play – just search for the BakeryMade (all one word) app. Download and install the app and then open it and register as a customer. There are a number of steps to follow. It is important that you provide your home address for billing and not the school address.

No cash is required using this system. Orders are placed, preferably the night before or earlier, but no later than 8am on the day the lunch is to be delivered.

Once the app is open parents will be able to view the sub menus ie. Sandwiches, hot food selections, snacks, pies & pasties, muffins & slices and Gluten free options.

The food will be delivered by Jon from BakeryMade at approximately 12.50 on Monday and Friday and then distributed to the classrooms. Please refer to the updated menu at the end of this bulletin.

Thank you

Keeping you in the Literacy Loop

Take the time to grow

During The Reading Hour
on September 20 2018, pick up a book
and read for just one hour on your own
or with your children.

20
Sept
2018

Australian
Reading Hour

READINGHOUR.ORG.AU

On Thursday, September 20, 2018, stop what you're doing for one hour and pick up a book. We would like to give our community the opportunity to either rediscover or introduce themselves to the benefits of reading. Take the time to learn, grow, escape and relax.

In children, reading has been shown to help with identity formation, setting them up for success in the future.

In adults, reading has been shown to reduce stress by 68% more than listening to music, going for a walk, or having a cup of tea.

There will be activities at school to encourage reading on this day, so take the time as a family to continue the special time at home. Turn off the TV, put away devices and read a book together. Listen to an audio story, encourage older siblings to read to younger ones.

"Most vital human functions are accompanied by pleasure, and reading is no exception. I'm proud and delighted to be an Australian Reading Hour Ambassador for 2018, and to use the opportunity to gently remind the adult community that young people deserve that pleasure every day. They also need it, because no other activity will better equip young people to embrace their futures in a sometimes dark and uncertain world with optimism, resolve and creativity. Our stories have saved us in the past, and in the minds of young readers they can again."

Morris Gleitzman

Children's Laureate and 2018 Australian Reading Hour Ambassador

SCHOOL EVENTS COMMITTEE (SEC)

Come and be part of the fun

Footy Day - fantastic

Damian with his crew taking on the pile of hotdogs!

Sunshine, team colours, club songs – footy fever was alive and kicking at yesterday's Footy Day Parade. And what a great way to finish it off with a hotdog!

Thank you to our SEC dad Damian for coordinating the hotdog rush and with the help of our school community feeding our 700+ students. WELL DONE!

Term 3 has been full of fun events at the school, that our children and our families have enjoyed. We would like to say a huge thankyou to all the wonderful mums, dads, Nanas, Grandads, aunties and uncles that have helped us out.

Term 4 is a busy term with preparations for the 2019 School Carnivale. There is a lot of work involved with this event, many areas to be covered. As they say many hands make light work, so if you would like to be involved – keep an eye on the school noticeboard facebook page & newsletter next term.

Enjoy the school holidays.
