BANKSIA BULLETIN - Thursday 27th April 2023

Mt Martha Primary School strives to empower students to be active learners who make a positive impact in a changing world.

PRINCIPAL'S REPORT

Welcome Back - It was lovely to see all our school community back this week after enjoying family holidays and the opportunity to travel over the Term One holidays. Students have been excited to share their holiday adventures with others through class discussions and writing recounts.

ANZAC Day - Many of our students and their families and staff participated in ANZAC Day services and marches on Tuesday by attending either the Dawn or 10am ceremonies. Thank you to Kaitlyn, Louis, Luke, and Rose who represented the Mount Martha Primary School community, showing dignity and respect, as they laid a wreath at the ANZAC Day Service at Mornington. Thank you to their families for also attending the service. The students with the support of Mr Orchard ran a short ANZAC service at school on Monday.

School Crossing - On Monday we were delighted to welcome back Robyn to the crossing. She has very much missed MMPS and is incredibly happy to be back at work.

Continued

Our Mission is to ensure high quality and engaging learning program that builds on the capability of every student.

The Mount Martha Primary School community acknowledges & pays respect to the Boon Wurrung/Bunurong people of the Kulin nation, the traditional custodians of these lands & waters.

PRINCIPAL'S REPORT continued

Welcome - to the following new students and their families to the Mount Martha Primary School community Prep: Bayden C, Prep: Archie H, Year 5: Seth H and Year 5: Layla S. We also welcomed a new staff member Mr Gregory Thomas who will be teaching 3C for the remainder of 2023.

Congratulations - to Ms Kim Klan and Marcus on the birth of their precious daughter Edie Willa on Tuesday 4th April. We wish them well as they begin this new and exciting chapter in their lives.

Mother's Day Stall - Tuesday 9th May is the Mother's Day Stall. All students will have the chance to visit the stall to purchase a fantastic and very reasonably priced gift. Information has been sent out to families on Compass and in the newsletter. We very much appreciate the work of members of the SEC, for organising this event. Helpers are still required. Thanks for your assistance.

School Cross Country - Friday May 5th is the School Cross Country. The course starts and finishes on the school oval and runs down Melrose Avenue, along Normanby Terrace and returns up Glenisla Drive. All our students can participate. More details are included in this newsletter.

Traffic Safety - A reminder to please follow the road laws and direction of the crossing supervisors. The safety of our students, parents and other members of our school community is our highest priority. In addition, for safety reasons parents must not park in the Staff Car Park. Thanks for your assistance.

Hats - From next Monday, 1st May, the students are no longer required to wear hats as part of the SunSmart Policy. Given the lovely weather we have had you might wish for your child to continue to wear their hat. The school resumes compulsory hat wearing from the 1st of September.

A school tour will commence at 6.30pm with the Information Evening to start at 7.15pm. 2024 Prep Enrolment Week is Tuesday 16th May; Wednesday 17th and Thursday 18th May starting at 9.30am. We will be holding two different events for 9/10, 11 and 12/13yr old races:

1. **COMPETITION:** Competitors are to complete the set amount of km/laps for their age group. The top 10 from this event will represent our school at the District Competition.
2. **FUN RUN:** This race is a modified race, 1km which allows students to reduce the laps to complete what they are capable of. This is a non-competitive race and will cater for students who find it difficult and wish to walk the track.

The top 10 from Year 2 - Year 6 (8yr old – 12/13yr old) students who run the competition will represent our school at District level at Woodleigh School on Tuesday 16th May.

The track route: Start far end of oval on track, running around the track, beside gym, across basketball courts, out back gate and down Melrose drive Continue along Normanby onto Glenisla drive. Up the hill and into the staff carpark back onto the oval to finish or start 2nd or 3rd lap.

Parents are encouraged to attend and support children. If you are free and could assist at the finish line – please make sure you let me know on the day.

The sports leaders will act as 'Hares' for each race so the children have something to follow and a Year 6 will always be at the back of the race too. The track will also have supervision by our teachers and various checkpoints.

TRAVEL SMART NEWS

It was great to see so many students out walking, riding and rolling to school on Ride2School Day. It was great meeting “The White Bike Foundation” crew at Mt Martha House. Thank you to Victoria Police and the volunteers who came out to help us all.

On the day we had 65% of the school take up active travel for the morning. That was over a 20% increase from a normal day. Well done to all those families who participated and are creating change. Talk to each other about the way you travel, organise to meet other families and walk or roll together. Use our park and stride points as meeting places.

Walk Safely to School Day is on Friday 19th May.

Will you look for a change this term and find a better way to travel to school?

RECYCLING NEWS

Mount Martha Primary School is once again collecting all brands of bread bags (including wraps) and tags for "Wonder Recycling Rewards".

Wonder Recycling Rewards is a fun and easy program created for Aussie schools to collect bread bags and tags. Once collected, Wonder are going to turn the plastic into wonderful things like school play equipment! We will be able to redeem our plastic for sports equipment for the school.

We will have our collection point at the Front Office – look out for the big pink box outside the First Aid Room.

It doesn't matter what brand the bread or wraps are, we accept them all, including bread tags which you can put in the small box found at the same location.

Many thanks for your support

Enrolling in primary school for 2024

Starting school is an exciting time for children, parents and carers. We want to help make the enrolment process as easy as possible for you.

In Victoria, your child has the right to attend their designated neighbourhood school (your 'local school') under the *Education and Training Reform Act 2006*.

You can also apply for a place at a school that is not your local school. The school will consider your application in line with the Placement Policy. For more information on the Placement Policy, visit the [Enrolling in school](#) page.

New statewide timeline for Foundation (Prep)

The first year of primary school is called Foundation or Prep. We have released a new Foundation enrolment timeline for all Victorian government primary schools to follow (see page 3). The timeline aims to help you understand when and how to enrol your child into Foundation for the 2024 school year.

When should I enrol my child in their first year of primary school?

Your child must be 5 years old by 30 April in the year that they start school.

Schooling is compulsory for children who have turned 6 years old.

To enrol your child in a Victorian government primary school for the 2024 school year, submit an enrolment application to the school by 28 July 2023.

How do I enrol my child in their first year of primary school?

Take these steps to enrol your child in their first year of primary school:

1. Find your local school on the Find my School website (see below).
2. Contact a government primary school to book a school tour or to learn more about the school and the enrolment application process.
3. Download the Foundation (Prep) enrolment information pack from [Enrolling in Foundation \(Prep\)](#) (available from 24 April 2023).
4. Submit an enrolment application for Foundation **by Friday 28 July 2023**.
5. You will be notified of the outcome of your application **by Friday 11 August 2023**. If you receive an offer of placement, you should accept the offer **by Friday 25 August 2023**.
6. Take part in enrolment information and transition sessions **during Term 4 2023**.
7. Your child will start Foundation **from Tuesday 30 January 2024**.

How do I find my local school?

Find your local school on the Find my School website by following the steps below:

1. Enter findmyschool.vic.gov.au into your browser.
2. Enter your permanent residential address under 'Enter your address to get started'.
3. Select 2024 under 'Enrolment year'. **Note:** 2024 school zones will be available late Term 1, 2023.
4. Select Primary under 'School type'.

The map will then show your address, your local school, and on the left the contact details for the school. If you scroll down, it will also show you the five closest schools to your address.

You can also search by school name under 'Search for school'.

Can my child apply to a government primary school that is not our local school?

Yes, you can apply to schools other than your local school. The school will consider your application in line with the Placement Policy and available space. You can find information on how applications are prioritised on the [Enrolling in school](#) page.

What happens if I receive a letter saying my enrolment application was unsuccessful?

You should apply to enrol your child in another school. Your child is guaranteed a place at their local school. Your child's local school is determined on the basis of their permanent residential address. Visit [Find my School](#) to locate your child's local school. The [Enrolling in school](#) page can also help you to confirm your child's address for enrolment.

You can also appeal the decision. The [Enrolling in Foundation \(Prep\)](#) page has information on the process to appeal an enrolment application outcome.

What happens if I miss the enrolment timeframes?

You can apply to enrol your child into Foundation for the 2024 school year at any time from Term 2, 2023.

While you are asked to submit an enrolment application by Friday 28 July 2023, applications after this date will still be accepted from those families who miss enrolment timelines, move permanent residence or newly arrive to Victoria.

Enrolment applications submitted after 28 July 2023 will be processed by the school as they are received, in accordance with the department's Placement Policy.

Where can I find further information on enrolling in primary school?

You can ask your local primary school for further information on the Foundation enrolment process.

At the start of Term 2, 2023 you can also find an information pack on the Foundation enrolment process on the [Enrolling in Foundation \(Prep\)](#) page of the Starting School webpage.

If you require help translating the information pack, please talk to your local primary school for assistance.

Who do I contact for help?

The Transition Coordinator, Enrolment Officer or Principal of the primary school you want to apply to can help you with any questions you may have about the enrolment process.

Blended/step family workshop

Blended/stepfamilies can be wonderful, loving and happy for lots of people. But some find the complexity of blended families challenging.

Ongoing negotiation with ex-partners, co-parenting with new partners, adults and children having different expectations, building a connection with step-children, helping biological children adjust to a new life, dealing with your children's new step-parent...the complexities are many.

This workshop will cover topics and concepts in a manner that allows you to apply learning to your situation. Participants will be able to safely discuss their challenges and most importantly, learn how to identify strength-based approaches that can support your family.

During the 3.5 hour session you will:

- Develop skills and understanding to support you as you navigate complex relation dynamics
- Explore positive approaches to conflict minimisation and resolution
- Discuss blended family communication: why it can be tough, examining solutions
- Discuss agreeing on and setting boundaries, and working collaboratively with partners, ex-partners, and children.
