BANKSIA BULLETIN - Thursday 30th March 2023

Mt Martha Primary School strives to empower students to be active learners who make a positive impact in a changing world.

PRINCIPAL'S REPORT

Balcombe Preschool Farwell - Today is the last day for Balcombe Preschool at Mount Martha Primary School. Repairs to the preschool have been completed and the sessions will recommence back at on their site next week. It has been lovely to have them as part of our school community and the time they have been here has flown. We will certainly miss them. On Wednesday, the students and staff presented me with a lovely piece of artwork they had created to thank our school community for their support and warm welcome. I will find a place in our office area to display the work. As a staff we very much appreciate how fortunate we are to work in such a wonderful community. Hopefully we will see lots of the Balcombe Preschool students as 2024 Mount Martha Primary School Prep students.

Eco Park Redevelopment - Late last week we received a visit from the Site Manager and Mornington Shire Council to inform the school that work will begin on the park on 11th April. The plan is for the fencing to be up over the holidays to minimise disruptions to access to parking for school families. As much as possible they will try avoiding deliveries and large trucks using Glenisla Drive during drop off and school pick up times. Plans are available on the Mornington Shire Council website:

<https://shape.mornpen.vic.gov.au/mount-martha-eco-park-active-hub>

Assembly - Our End of Term Assembly is next Thursday 6th April at 9.10am. A great opportunity for students to share their learning and celebrate the efforts of all students in working towards achieving their learning goals. We hope to see you there!

Learning Boost Programs - During 2023 we are running a variety of different programs to support student learning. Some of our additional support programs are available through the Victorian Government's \$258.4 million investment in the Tutor Learning Initiative, which supports schools to address disruptions to students' learning because of COVID-19. The Tutor Learning Initiative enables schools across Victoria to engage qualified teachers as tutors to work with small groups of students and support their learning. The initiative is consistent with Australian and international evidence, which shows that small group tutoring is one of the most effective educational interventions available to support students to progress in their learning. We call all our additional support programs Learning Boost, as students selected to participate may currently be well above, above, at, below or well below expected level of achievement against the Victorian Curriculum Standards F-10. Selection of children who may benefit from the small group tutoring is based on achievement data and other measures of learning, which may indicate that expected learning progress is not being made. There is a Learning Boost Program Year 3 - 6, Learning Boost Literacy Junior School, Learning Boost Numeracy Junior School, Phonological Awareness and Year Level support programs with Educational Support Staff.

Continued

Our Mission is to ensure high quality and engaging learning program that builds on the capability of every student.

The Mount Martha Primary School community acknowledges & pays respect to the Boon Wurrung/Bunurong people of the Kulin nation, the traditional custodians of these lands & waters.

PRINCIPAL'S REPORT continued

Emergency Contact - In the event of an emergency concerning the school during the school vacation or out of school hours please contact the Department of Education Emergency and Security Management on **1800 126 126** or Mornington Police if it is a police matter. They will in turn contact the appropriate staff. Thank you for keeping a look out if you are onsite during the holidays.

Uniform Swap Boxes - With a new term starting soon, our uniform swap boxes, located in the foyer of the gymnasium, provide an excellent source of good quality second-hand uniform. It works on a swap basis with no money changing hands and assists in clothes recycling. Have a look through but please keep the boxes neat to assist other parents who also will be looking. Well worth considering for your child's uniform requirements.

2023 Annual Implementation Plan is available on the Mount Martha Primary School website:

<https://www.mtmarthaps.vic.edu.au> under the "Information" tab. Every four years schools undergo a school review from an external reviewer and panel including school staff, parents, students, the school's Senior Educational Improvement Leader and Principals from two other schools. The review assisting in the writing of the school's four-year Strategic Plan. This has the school's goals focused on areas of improvement. Each year the school writes an Annual Implementation Plan to work towards achieving the goals and targets of the Strategic Plan. The plan provides information on the school's areas of focus for the 2023 school year.

Hats - A reminder that hats are required to be worn until the end of April. That is the end of the first week of Term 2, as part of the Sun Smart policy. Thank you for your assistance.

Year 6 Camp - Our Year 6 students had a fabulous time on the Urban Camp on Monday, Tuesday and Wednesday this week. They enjoyed activities and experiences in the CBD that were certainly different from their usual environment in Mount Martha! Thank you, parents, and staff, for attending and helping to make the camp so successful.

Ride2School Day - What an amazing number people from our community at Ride2School Day last Friday. The day raised awareness of road safety and the "White Bike Foundation" organised a ride from Mount Martha House to the school and a school assembly. A full report will be in the newsletter next week as the Year Six Travel Leaders have been on camp this week.

Reminders:

SEC - Our SEC AGM will be **4th April 7pm** in the Staff Centre. The SEC runs fantastic school community events that are fun, build connections in our community and raise funds to assist our school. Please come to the next meeting to share your ideas and meet a fabulous group of friendly, dedicated volunteers who are keen to build connections and improve our school for everyone in our community to enjoy.

End of Term One - With so many activities for our students to be involved in Term One is really flying by! Advance notice that **Thursday 6th April** is the last day of Term One. Please note the earlier dismissal time of 2.30pm. Term Two commences on **Monday 24th April**.

Warm regards

Karen Walker

Enrolling in primary school for 2024

Starting school is an exciting time for children, parents and carers. We want to help make the enrolment process as easy as possible for you.

In Victoria, your child has the right to attend their designated neighbourhood school (your 'local school') under the *Education and Training Reform Act 2006*.

You can also apply for a place at a school that is not your local school. The school will consider your application in line with the Placement Policy. For more information on the Placement Policy, visit the [Enrolling in school](#) page.

New statewide timeline for Foundation (Prep)

The first year of primary school is called Foundation or Prep. We have released a new Foundation enrolment timeline for all Victorian government primary schools to follow (see page 3). The timeline aims to help you understand when and how to enrol your child into Foundation for the 2024 school year.

When should I enrol my child in their first year of primary school?

Your child must be 5 years old by 30 April in the year that they start school.

Schooling is compulsory for children who have turned 6 years old.

To enrol your child in a Victorian government primary school for the 2024 school year, submit an enrolment application to the school by 28 July 2023.

How do I enrol my child in their first year of primary school?

Take these steps to enrol your child in their first year of primary school:

1. Find your local school on the Find my School website (see below).
2. Contact a government primary school to book a school tour or to learn more about the school and the enrolment application process.
3. Download the Foundation (Prep) enrolment information pack from [Enrolling in Foundation \(Prep\)](#) (available from 24 April 2023).
4. Submit an enrolment application for Foundation **by Friday 28 July 2023**.
5. You will be notified of the outcome of your application **by Friday 11 August 2023**. If you receive an offer of placement, you should accept the offer **by Friday 25 August 2023**.
6. Take part in enrolment information and transition sessions **during Term 4 2023**.
7. Your child will start Foundation **from Tuesday 30 January 2024**.

How do I find my local school?

Find your local school on the Find my School website by following the steps below:

1. Enter findmyschool.vic.gov.au into your browser.
2. Enter your permanent residential address under 'Enter your address to get started'.
3. Select 2024 under 'Enrolment year'. **Note:** 2024 school zones will be available late Term 1, 2023.
4. Select Primary under 'School type'.

The map will then show your address, your local school, and on the left the contact details for the school. If you scroll down, it will also show you the five closest schools to your address.

You can also search by school name under 'Search for school'.

Can my child apply to a government primary school that is not our local school?

Yes, you can apply to schools other than your local school. The school will consider your application in line with the Placement Policy and available space. You can find information on how applications are prioritised on the [Enrolling in school](#) page.

What happens if I receive a letter saying my enrolment application was unsuccessful?

You should apply to enrol your child in another school. Your child is guaranteed a place at their local school. Your child's local school is determined on the basis of their permanent residential address. Visit [Find my School](#) to locate your child's local school. The [Enrolling in school](#) page can also help you to confirm your child's address for enrolment.

You can also appeal the decision. The [Enrolling in Foundation \(Prep\)](#) page has information on the process to appeal an enrolment application outcome.

What happens if I miss the enrolment timeframes?

You can apply to enrol your child into Foundation for the 2024 school year at any time from Term 2, 2023.

While you are asked to submit an enrolment application by Friday 28 July 2023, applications after this date will still be accepted from those families who miss enrolment timelines, move permanent residence or newly arrive to Victoria.

Enrolment applications submitted after 28 July 2023 will be processed by the school as they are received, in accordance with the department's Placement Policy.

Where can I find further information on enrolling in primary school?

You can ask your local primary school for further information on the Foundation enrolment process.

At the start of Term 2, 2023 you can also find an information pack on the Foundation enrolment process on the [Enrolling in Foundation \(Prep\)](#) page of the Starting School webpage.

If you require help translating the information pack, please talk to your local primary school for assistance.

Who do I contact for help?

The Transition Coordinator, Enrolment Officer or Principal of the primary school you want to apply to can help you with any questions you may have about the enrolment process.
