BANKSIA BULLETIN - Thursday 6th April 2023

Mt Martha Primary School strives to empower students to be active learners who make a positive impact in a changing world.

PRINCIPAL'S REPORT

End of Term One - Congratulations to all our students for a fantastic term! Thank you, staff, and families, for your assistance and support in what has been a very busy term. What an exciting term with lots of wonderful activities which included: Year Six camps, excursions, incursions, swimming lessons, beach program, sporting events and our classroom activities which have provided many engaging and powerful learning opportunities for our students. I would like to wish everyone in our school community a safe, restful, and happy holiday. I am really looking forward to terrific Term Two. Term Two commences on **Monday 24th April.**

Term Two - All families should have received the Compass notification of events that would have contained information about events at your child's year level along with whole school events. Our SEC have two events planned for next term: the very popular Mother's Day Stall and to celebrate the first day of winter, a Cheese Toasties Day. Both of these events raise valuable funds to support projects around the school. Information about these and other events is contained in this newsletter.

Reminder Emergency Contact - In the event of an emergency concerning the school during the school vacation or out of school hours please contact the Department of Education Emergency and Security Management on **1800 126 126** or Mornington Police if it is a police matter. They will in turn contact the appropriate staff. Thank you for keeping a look out if you are onsite during the holidays.

ANZAC Day - Four of our Year Six students and I will be attending the ANZAC service at Mornington on Tuesday 25th April at 10am at Memorial Park, Barkly Street Mornington to lay a wreath on behalf of our school community. We regularly see many from our school community at this service.

Bikes - A reminder to collect bikes from the bike shed. If not collected, they will be locked in the bike shed for the holidays. They are much better to be at home for the holidays allowing students to practice their riding skills.

Smile Squad School Dental Program 2023 - Smile Squad is the Victorian Government's only school dental program. Smile Squad offers free oral health packs, free annual oral health examinations and free follow-up treatment for all students attending Victorian Government schools. Smile Squad will be available to all students for free, even if they do not have a healthcare card or Medicare card, or if they are ineligible for the Commonwealth Dental Benefits Schedule (CDBS). There are no out-of-pocket expenses for families. We have been allocated access to this program this year. At this stage we have not received dates. When we have more information, we will let our school community know. Further information is available at www.smilesquad.vic.gov.au.

Continued

Our Mission is to ensure high quality and engaging learning program that builds on the capability of every student.

The Mount Martha Primary School community acknowledges & pays respect to the Boon Wurrung/Bunurong people of the Kulin nation, the traditional custodians of these lands & waters.

PRINCIPAL'S REPORT continued

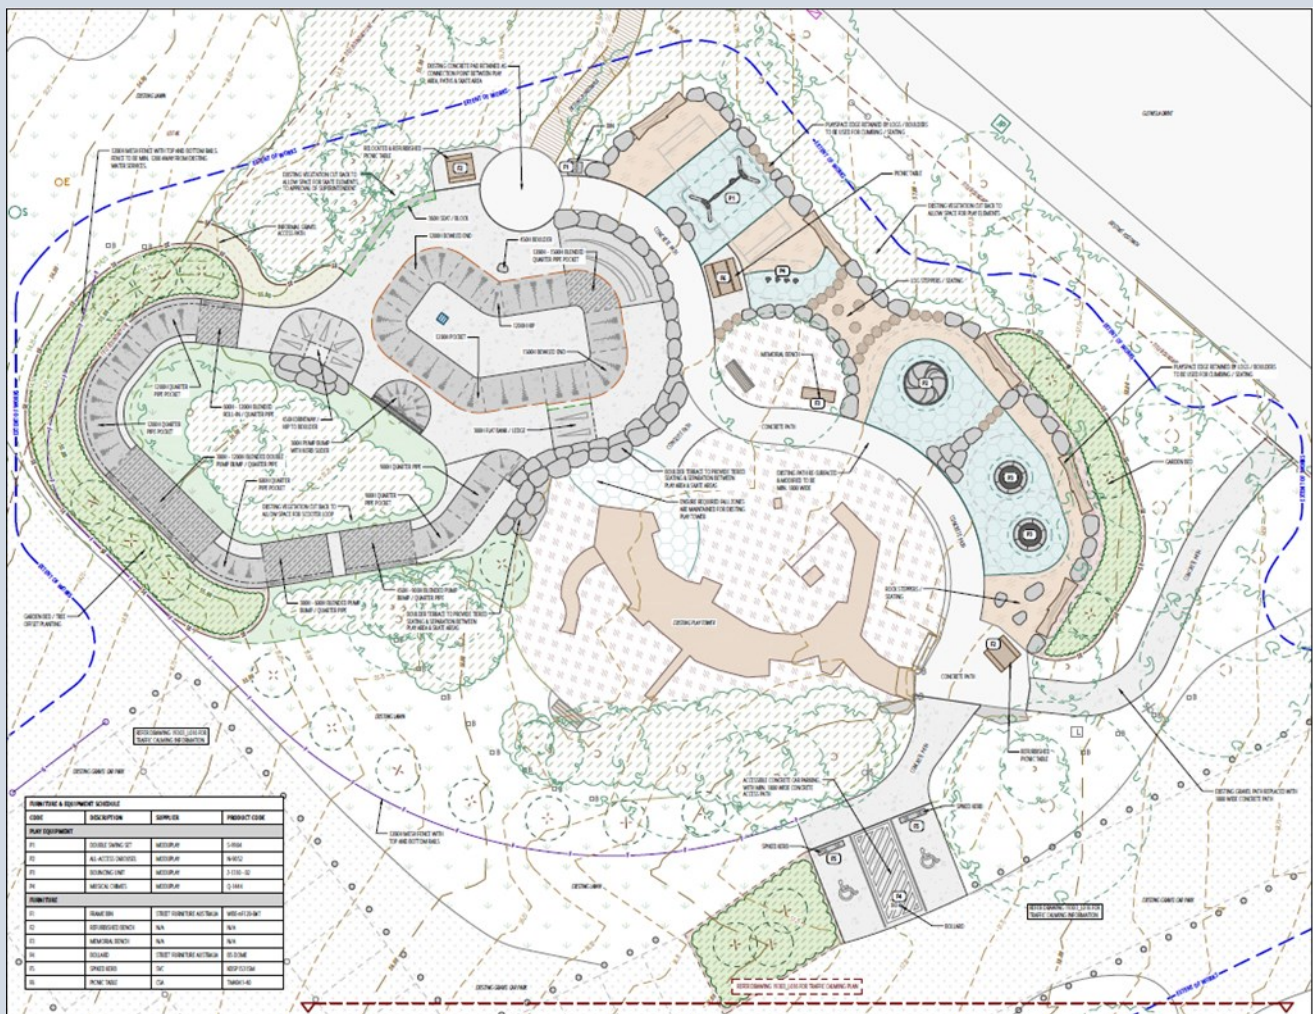

Your child(ren) early next term will receive a free dental pack to bring home. The dental pack contains a toothbrush, full sized toothpaste, and an oral health brochure. Please take the time to read the brochure. It's full of helpful hints and tips to help your whole family eat well, drink well and clean well – for life. Smile Squad is a Victorian Government program that provides free dental care to all Victorian government primary and secondary school students. Until Smile Squad visits our school, you can access free dental for students by calling your local community dental clinic - Peninsula Health 9784 8184 - and asking for a Smile Squad appointment. Visit the Smile Squad website at: www.smilesquad.vic.gov.au to learn more.

Ecco Park Redevelopment - Last week I mentioned the Mornington Shire Council informed the school that work will begin on the park on 11th April. The plan is for the fencing to be up over the holidays to minimise disruptions to access to parking for school families. As much as possible they will try avoiding deliveries and large trucks using Glenisla Drive during drop off and school pick up times.

Upcoming works will include the following components:

- Demolition works.
- Construction of a new Skate Bowl and a new Scooter Loop
- Installation of new furniture
- Installation of trampoline and carousel
- Footpaths and concrete pads
- Disabled carpark
- Street crossover
- Landscape work and associated construction activities

This construction work is due to commence on 11/04/2023, with work to be completed 16 weeks from start date (anticipated July 2023). It is intended that the access to the parking will be maintained during construction.

Karen Walker, Principal.

RECYCLING NEWS

Help Wonder turn BREAD BAGS into SCHOOL PLAY EQUIPMENT

It's simple...

- 1** Collect your empty bread bags and tags
- 2** Recycle them at school in Wonder's pink Collection Bin (There's a space for you for bread bags)
- 3** We'll earn reward points to redeem new sports equipment for every 5kg bin filled!

Mount Martha Primary School is once again collecting all brands of bread bags (including wraps) and tags for "Wonder Recycling Rewards".

Wonder Recycling Rewards is a fun and easy program created for Aussie schools to collect bread bags and tags. Once collected, Wonder are going to turn the plastic into wonderful things like school play equipment! We will be able to redeem our plastic for sports equipment for the school.

We will have our collection point at the Front Office – look out for the big pink box outside the First Aid Room.

It doesn't matter what brand the bread or wraps are, we accept them all, including bread tags which you can put in the small box found at the same location.

Many thanks for your support

Enrolling in primary school for 2024

Starting school is an exciting time for children, parents and carers. We want to help make the enrolment process as easy as possible for you.

In Victoria, your child has the right to attend their designated neighbourhood school (your 'local school') under the *Education and Training Reform Act 2006*.

You can also apply for a place at a school that is not your local school. The school will consider your application in line with the Placement Policy. For more information on the Placement Policy, visit the [Enrolling in school](#) page.

New statewide timeline for Foundation (Prep)

The first year of primary school is called Foundation or Prep. We have released a new Foundation enrolment timeline for all Victorian government primary schools to follow (see page 3). The timeline aims to help you understand when and how to enrol your child into Foundation for the 2024 school year.

When should I enrol my child in their first year of primary school?

Your child must be 5 years old by 30 April in the year that they start school.

Schooling is compulsory for children who have turned 6 years old.

To enrol your child in a Victorian government primary school for the 2024 school year, submit an enrolment application to the school by 28 July 2023.

How do I enrol my child in their first year of primary school?

Take these steps to enrol your child in their first year of primary school:

1. Find your local school on the Find my School website (see below).
2. Contact a government primary school to book a school tour or to learn more about the school and the enrolment application process.
3. Download the Foundation (Prep) enrolment information pack from [Enrolling in Foundation \(Prep\)](#) (available from 24 April 2023).
4. Submit an enrolment application for Foundation **by Friday 28 July 2023**.
5. You will be notified of the outcome of your application **by Friday 11 August 2023**. If you receive an offer of placement, you should accept the offer **by Friday 25 August 2023**.
6. Take part in enrolment information and transition sessions **during Term 4 2023**.
7. Your child will start Foundation **from Tuesday 30 January 2024**.

How do I find my local school?

Find your local school on the Find my School website by following the steps below:

1. Enter findmyschool.vic.gov.au into your browser.
2. Enter your permanent residential address under 'Enter your address to get started'.
3. Select 2024 under 'Enrolment year'. **Note:** 2024 school zones will be available late Term 1, 2023.
4. Select Primary under 'School type'.

The map will then show your address, your local school, and on the left the contact details for the school. If you scroll down, it will also show you the five closest schools to your address.

You can also search by school name under 'Search for school'.

Can my child apply to a government primary school that is not our local school?

Yes, you can apply to schools other than your local school. The school will consider your application in line with the Placement Policy and available space. You can find information on how applications are prioritised on the [Enrolling in school](#) page.

What happens if I receive a letter saying my enrolment application was unsuccessful?

You should apply to enrol your child in another school. Your child is guaranteed a place at their local school. Your child's local school is determined on the basis of their permanent residential address. Visit [Find my School](#) to locate your child's local school. The [Enrolling in school](#) page can also help you to confirm your child's address for enrolment.

You can also appeal the decision. The [Enrolling in Foundation \(Prep\)](#) page has information on the process to appeal an enrolment application outcome.

What happens if I miss the enrolment timeframes?

You can apply to enrol your child into Foundation for the 2024 school year at any time from Term 2, 2023.

While you are asked to submit an enrolment application by Friday 28 July 2023, applications after this date will still be accepted from those families who miss enrolment timelines, move permanent residence or newly arrive to Victoria.

Enrolment applications submitted after 28 July 2023 will be processed by the school as they are received, in accordance with the department's Placement Policy.

Where can I find further information on enrolling in primary school?

You can ask your local primary school for further information on the Foundation enrolment process.

At the start of Term 2, 2023 you can also find an information pack on the Foundation enrolment process on the [Enrolling in Foundation \(Prep\)](#) page of the Starting School webpage.

If you require help translating the information pack, please talk to your local primary school for assistance.

Who do I contact for help?

The Transition Coordinator, Enrolment Officer or Principal of the primary school you want to apply to can help you with any questions you may have about the enrolment process.
