## BANKSIA BULLETIN - 7 February 2019.

*Mt Martha Primary School strives to empower students to be active learners who make a positive impact in a changing world.*

### PRINCIPAL'S REPORT

Welcome Back to Mount Martha Primary School for 2019. I hope everyone had a very enjoyable and restful holiday! 2019 promises to be another fantastic school year and I am pleased with our very smooth start. It was wonderful to see how happy and enthusiastic the students were as they returned to school! The students have quickly settled in to their new classes. Organisation is a real focus for the first few days as students become familiar with the class and school routines. On the first two pupil free days, staff met with teachers from Osborne Primary School and Benton Junior College to engage in the DET Koorie Cultural Understanding and Safety Training. They also updated training in management of anaphylaxis and made the most of valuable curriculum planning and preparation time for the year ahead. Our improvement focus this year will continue to be to improve our curriculum and practices in Reading and Numeracy to ensure we are meeting the learning needs of each of our students.

For 2019 we have new staff join Mount Martha Primary School. Welcome to Mrs Rachel Sutherland and Mr Gerry Gaiser. Welcome back Mrs Melanie Carson who has returned to the school after being on leave in 2018. A staff list is in the newsletter for information.

Our 2019 Preps started in their Prep classes on Tuesday! The first day of school is always a very exciting day and they settled in very well. We wish them a wonderful time at Mt Martha Primary School!

A huge welcome to our new students and families who are joining our school community for 2019.

**Year 1:** Chey & Sophie, **Year 2:** Lilly, Hannah & Connor, **Year 3:** Sophie & Ethan, **Year 4:** Isabella & Harrisson, **Year 5:** Jasper **Year 6:** Indie.

**Meet The Teacher** - Establishing a relationship and lines of communication with your child's teacher is an important part of their education. To assist this we are having two "Meet The Teacher" sessions. The first is on **Tuesday 19<sup>th</sup> February for Years Prep, One, Two and Three** and **Wednesday 20<sup>th</sup> February for Years Four, Five and Six**. Bookings will be via Compass. More information about the booking process is included in the newsletter.

**Update - Contact Information and Student Health** - We do our best to look after the health needs of our students and sometimes we need to contact you. To assist us with this a reminder to update the school if any contact details have changed eg telephone numbers, emergency contacts, etc. Also please contact Lorraine at the school to supply updated asthma, anaphylaxis or other medical condition plans as required. Our current contact information will be emailed to you to amend and send back to us if required. Thank you for your assistance.

**School Council elections 2019** - Nominations open on **Monday 11<sup>th</sup> February** for 3 parent vacancies on our School Council. If you are an enthusiastic parent interested in getting more involved and having a say in what our school is doing, or know someone who is, we would love to hear from you. We are looking for people who are committed to improving the educational outcomes for all our students.

Effective councils have a broad range of experience, skills and expertise. Face-to-face and online training is also available to help councillors develop the skills and knowledge for the job. Parents find their involvement satisfying and may also find that their children feel a greater sense of belonging.

Nominations close on **Monday 18<sup>th</sup> February at 4pm** and forms are available from the school office. An election will be conducted should the number of nominations exceed the number of vacancies. You can contact me at the school if you have any queries.

I am really looking forward to another terrific year in 2019!

Kind regards,  
Martin Page, Principal.

Our Mission is to ensure high quality and engaging learning program that builds on the capability of every student.

## SPORT NEWS

### School Sport Victoria Team Online Registration Process - 12 Years and Under

Registration to trial for AFL, Netball, Soccer and Basketball for state teams has traditionally started with nominations through their school to attend district trials.

**School Sport Victoria (SSV) have advised that this process has now changed to an online registration process. District trials will no longer be held.**

The SSV website [www.ssv.vic.edu.au](http://www.ssv.vic.edu.au) provides important information and a video on the process as well as application forms and must be visited.

Key points include:

- Parents must consult with their Sport Teacher at the school to ensure their child has a high skill level to trial and represent their school.
- It is imperative that teachers will decide on your child's capability of representing their school at a state level **before** registering online.
- This discussion with the school Sport Teacher is necessary as all students **MUST** get the Sport Teacher/Coordinator and the Principal signature on their registration form prior to attending a trial.
- The Eventbrite ticket, application form signed by the Principal and Sport Teacher/Coordinator and proof of payment must be handed to the Division Trial Coordinator on the day of the trial.
- Applicants will be notified of arrangements for the Division trial once registrations have closed.

**Note: Registration for Division trials close on Friday March 1<sup>st</sup>, 2019.**

## FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

### CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

### MORE INFORMATION

For more information about the CSEF visit  
[www.education.vic.gov.au/csef](http://www.education.vic.gov.au/csef)

### HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from [www.education.vic.gov.au/csef](http://www.education.vic.gov.au/csef)

If you applied for the CSEF at your child's school in 2018, you do not need to complete an application form in 2019 unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- new student enrolments; your child has started or changed schools in 2019 or you did not apply in 2018.
- changed family circumstances; such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2019.

Check with the school office if you are unsure.
